# Teacher Development Courses 2023

## Language Teaching Methodology Courses

These are highly practical training programmes which covers a broad span of teaching ideas and activities to enliven lessons and make them more motivating. These courses are for Language Teachers who need to take a look at ideas to refresh their method and technique.

**Teaching Skills and Language**—This is a course for teachers of languages. On this course, you will consider the four language skills: speaking, writing, reading and listening and the language systems of grammar and vocabulary. The course will address the problems learners might have with learning about or using the skills and systems; and how you can help your learners with these problems and teach more effectively. Participants should have a minimum English language level corresponding to B1 on the CFR.
