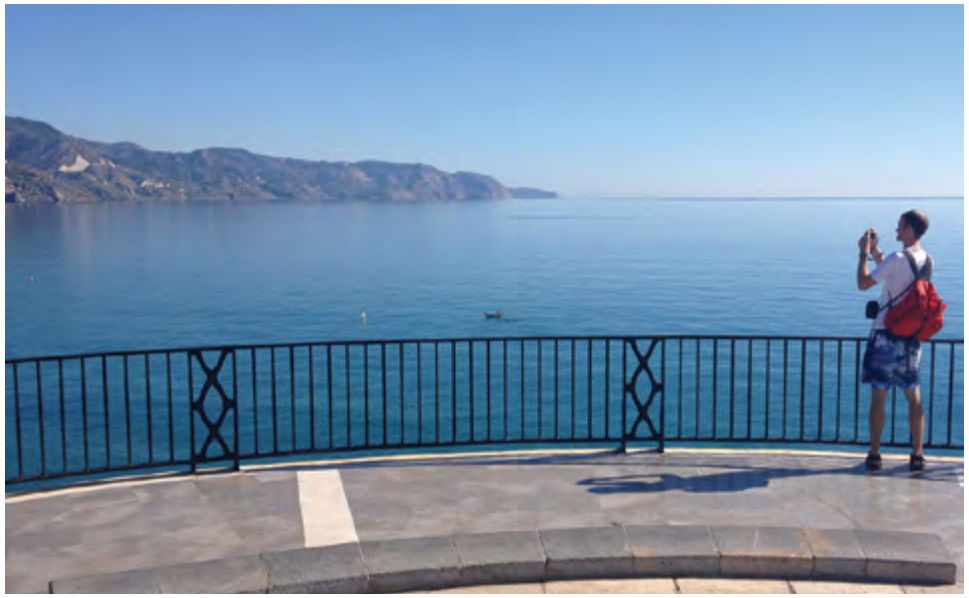
Nerja



Nerja is located on the **Costa del Sol** just fifty minutes east of Malaga. **Nerja** has preserved its own Andalusian feel with a beautifully maintained Old Town centre and **surrounded by mountains and beautiful beaches**.

The climate is ideal with an average annual temperature of 20ºC. Agriculture, fishing and tourism are the main industries in the area. Its name and origins are Arabic: *"Narixa"* which means "abundant natural spring".

With a population of 20,000 people, **Nerja** is not too big, but not too small. The open and friendly people maintain a lively community atmosphere and celebrate with many wonderful festivals like Carnival and Holy Week. Its proximity to important cities (Malaga, Granada, Seville, Cordoba) makes **Nerja** the perfect place to learn our language and culture.
