YOUR EASY WAY TO MASTER ENGLISH

EASY SCHOOL OF LANGUAGES

Easy School of Languages, Valletta - Malta has been running training courses for the past 17 years and school professionals from all over Europe have flown to this beautiful island to have a unique learning experience, benefitting from European Funding.

We have a special commitment to working with teachers and staff working in education from various countries and different backgrounds to help them improve their language skills and the quality of English language teaching.

The teachers and educational staff we train become amongst the

most able, creative and authoritative within their profession. Our Training Courses are a hallmark of excellence and outstanding professionalism.

All the teacher trainers at Easy School of Languages are highly qualified in their field and have many years of experience as teachers and teacher trainers. They all possess internationally recognised qualifications including Cambridge CELTA and DELTA, Trinity Dip.TESOL and Cert.TESOL, B.A., B.Ed and M.A qualifications.

Besides providing training, our teacher trainers are very keen on their own continuing professional development and regularly attend in-service training sessions, international and local conferences, seminars and workshops.

- 22** Business English
- 24** Erasmus+ Project design and management
- 26** Accommodation
- 28** Social Programme

CREATIVITY AND MOTIVATION IN THE CLASSROOM WITH TEACHER LANGUAGE DEVELOPMENT

Do you feel that you need fresh and creative ideas to stimulate and motivate your learners? Do you feel that your course book is sometimes dull and needs bringing to life? At the same time, do you feel that your own spoken English is getting a bit rusty and you would like to reactivate it? Would you like to learn new 'in' words and expressions in English, everyday idioms and a host of other areas to bring your current English up-to-date? If your answer to these questions is 'Yes!', then come and join us!

Who is the course for?

Teachers of English working with secondary school students or adult learners. Although materials and course content are in English, nearly all the ideas and techniques are easily transferable to the teaching of other foreign languages and the course is therefore also suitable for teachers of other foreign languages. Participants need a minimum English language level of B2 (Upper Intermediate).

Course requirements

Teachers attending this course must have a minimum level of **B2-C2** (Upper Intermediate - Proficiency).

Course Type	Teacher Development
Minimum age	21+
Lesson duration	45 hours per two-week course (22.5 hours per one-week course)
Course length	1 week or 2 weeks
Course fee	1 week course - €400 2 week course - €800
PIC number	948862634
OID number	E10056610
Course leader	Alan Marsh B.A., M.A. (English), M.Ed. (ELT), Cambridge ESOL, DELTA and CELTA
Course location	Easy School of Languages, 21, St Ursula Street, Valletta.

DATES	COURSE CODE
17/07/2023 - 21/07/2023 (5 days)	TTAM 001-23
17/07/2023 - 28/07/2023 (10 days)	TTAM 002-23
24/07/2023 - 28/07/2023 (5 days)	TTAM 003-23

Further details

Course outcomes

By the end of the course you will have:

- Developed your ability to teach grammar, vocabulary and the four skills in creative, engaging and motivating ways
- Enriched and increased your store of words, expressions and phrases which form part of modern, current, everyday English
- Reactivated and strengthened your own English language speaking fluency and pronunciation skills
- Developed your linguistic and intercultural awareness.

Course description

This course is led by Alan Marsh, a highly-experienced and qualified English language teacher trainer who has trained and developed teachers for many years in courses and workshops in several European countries.

Topics covered in our Creativity and Motivation in the Classroom with Teacher Language Development course include:

- Creative and engaging warmers
- Teaching grammar engagingly and creatively
- Teaching vocabulary engagingly and creatively
- Teaching pronunciation engagingly and creatively
- Creative and engaging ways of exploiting reading and listening texts
- Creative and engaging ways of developing speaking and writing skills
- Language games
- Using music and songs
- Storytelling
- Vocabulary enrichment: idiomatic and current English language words and expressions.

Topics can be adapted depending on participants' professional needs and teaching contexts.

UNDERSTANDING AND APPLYING CLIL METHODOLOGY FOR SECONDARY SCHOOL TEACHERS

Lessons per week	30* Methodology
Minimum age	21+
Lesson duration	1 lesson = 45 minutes
Class size	Maximum 12
Course fee	1 week course - €400
PIC number	948862634
OID number	E10056610
Course leader	Corinne Vella MA English, Dip TESOL, BA English Language & Literature (Hons)
Course location	Easy School of Languages, 21, St Ursula Street, Valletta.

Course summary

This introductory course to CLIL is aimed at non-native language teachers or teachers of other subjects, working in **secondary schools**, who have just started using CLIL (Content and Language Integrated Learning) or intend to implement this approach in their classroom. CLIL is used in schools to teach subjects such as sciences, history and maths, using a foreign language. Whether it is the language teacher teaching another subject in a foreign language or the subject teacher using a foreign language to teach content, the outcome will be the integrated learning of both content and language.

This course will provide teachers with the knowledge of the underlying CLIL principles and many practical ideas for their CLIL lessons.

Course requirements

Teachers attending this course must have a minimum level of **A2 spoken English** (Pre-Intermediate or higher).

Applicant needs to be a **secondary school teacher**.

DATES	COURSE CODE
10/04/2023 - 14/04/2023 (5 days)	TTCV 001-23

MONDAY

09:00	Registration / Introduction / Getting to know the participants	11:00	A model CLIL lesson	13:00	History of CLIL An overview of different CLIL approaches The underlying principles of CLIL
10:30		12:30		14:30	

TUESDAY

09:00	Focus on language and communicative skills	11:00	Focus on thinking and learning skills	13:00	Intercultural awareness in CLIL lessons
10:30		12:30		14:30	

WEDNESDAY

09:00	Adapting textbook and authentic materials for CLIL lessons	11:00	Using online material Evaluating CLIL materials	13:00	CLIL Lesson planning Hands-on ideas and activities for CLIL lessons
10:30		12:30		14:30	

THURSDAY

09:00	Project work	11:00	Project work	13:00	Presentation of project work
10:30		12:30		14:30	

FRIDAY

09:00	Ideas for CLIL lessons	11:00	Assessment and Evaluation in CLIL	13:00	Course Evaluation Certificate Ceremony
10:30		12:30		14:30	

*Our reduced hours policy applies in the case of 3 or less course participants.

Further details

Preparation

Each applicant will be asked to complete an enrolment form before the course starts. This will enable us to assess the participants' needs.

Each applicant is required to bring to class some materials related to the subject they would like to teach in English e.g. texts on a specific topic, related pictures and online materials, etc. Preferably the texts should be already in English. This material will be used to create CLIL materials.

Course outcomes

Participants will

- gain confidence in teaching through English
- become more familiar with CLIL methodology
- be better able to plan lessons using CLIL methodology
- be provided with some hands-on activities and ideas.

Units

The course will include the following units

- History of CLIL
- An overview of different CLIL approaches
- The underlying principles of CLIL
- Support strategies to help students improve in all four language skills while learning other subjects
- Focus on thinking and learning skills
- Intercultural awareness in CLIL lessons
- Adapting textbook and authentic materials for CLIL lessons
- Using online material
- Evaluating CLIL materials
- CLIL Lesson planning
- Hands-on ideas and activities for CLIL lessons
- Assessment and evaluation in CLIL
- Project work – creating CLIL materials
- Presentation of project work.

Certification awarded

- Certificate of attendance.
- A signed and stamped Europass will be given to the participant if previously and duly completed by the participant and signed by the head of the sending organisation.

ENGLISH LANGUAGE DEVELOPMENT AND AN INTRODUCTION TO CLIL METHODOLOGY FOR PRIMARY SCHOOL TEACHERS

Course summary

This course is aimed at non-native language teachers or teachers of other subjects, working in **primary schools**, who have just started using CLIL (Content and Language Integrated Learning) or intend to implement this approach in their classroom. CLIL is used in schools to teach subjects such as general science, art and maths, using a foreign language. Whether it is the language teacher teaching another subject in a foreign language or the subject teacher using a foreign language to teach content, the outcome will be the integrated learning of both content and language.

This course will help primary school teachers build their confidence to use English in their classroom as well as provide them with the basic principles of CLIL methodology and practical ideas that can be applied to their CLIL lessons.

Course requirements

Teachers will normally have a level of spoken English equivalent to **A2 or higher** (Pre-Intermediate or higher).

Applicant must be a **primary school teacher**.

Lessons per week	20* Language Development + 10* Teaching Methodology
Minimum age	21+
Lesson duration	1 lesson = 45 minutes
Class size	Maximum 12
Course fee	1 week course - €400
PIC number	948862634
OID number	E10056610
Course leader	Erna Jakob
Course location	Easy School of Languages, 21, St Ursula Street, Valletta.

DATES**

17/07/2023 - 21/07/2023 (5 days)

10:30		12:30		14:30	

*Our reduced hours policy applies in the case of 3 or less course participants.

**Lessons will be adapted and based on the enrolment form completed by the teachers before the course starts and the needs analysis carried out on the first day of the course.

Further details

Preparation

Each applicant will be asked to complete an enrolment form before the course starts. This will enable us to assess the participants' needs.

Each applicant is required to bring to class some materials related to the subject they would like to teach in English e.g. texts on a specific topic, related pictures and online materials, etc. Preferably the texts should be already in English. This material will be used to create CLIL materials.

Course outcomes

Participants will

- upgrade their English
- have the opportunity to practise English and gain confidence
- interact in English through a number of activities
- gain confidence in teaching through English
- become more familiar with CLIL
- be better able to plan lessons using CLIL methodology
- be provided with some hands-on activities and ideas for their CLIL lessons.

Units

The course will include the following

Language Development

- Language awareness: exploring and building up lexical and grammatical areas

- Developing the four languages skills: listening, speaking, reading and writing
- Communication skills: gaining confidence and fluency
- Phonology: working on stress, rhythm, intonation and phonetic sounds and symbols

CLIL Methodology

- History of CLIL
- CLIL principles
- An overview of different CLIL approaches
- First steps towards the implementation of CLIL
- Techniques used in CLIL, for example, using puppets, word walls etc.
- Adapting textbooks and authentic materials for CLIL lessons
- CLIL lesson planning
- Hands-on ideas and activities for CLIL lessons
- Creating own CLIL materials.

Certification awarded

- Certificate of attendance.
- The Europass will be signed and stamped by the Director of Studies, if presented duly completed and previously signed by the sending organisation.

ENGLISH LANGUAGE DEVELOPMENT AND AN INTRODUCTION TO CLIL METHODOLOGY FOR SECONDARY SCHOOL TEACHERS

Course summary

This course is aimed at non-native language teachers or teachers of other subjects, working in **secondary schools**, who have just started using CLIL (Content and Language Integrated Learning) or intend to implement this approach in their classroom. CLIL is used in schools to teach subjects such as sciences, history and maths, using a foreign language. Whether it is the language teacher teaching another subject in a foreign language or the subject teacher using a foreign language to teach content, the outcome will be the integrated learning of both content and language.

This course will, first of all, provide an opportunity for teachers to brush-up their English language skills and gain the confidence they need to be able to use English during CLIL lessons. Secondly, the methodology component of the course will provide teachers with the knowledge of the underlying CLIL principles and many practical ideas for their CLIL lessons.

Course requirements

Teachers attending this course must have a minimum level of **A2 spoken English** (Pre-Intermediate or higher).

USING DIGITAL TECHNOLOGY IN THE CLASSROOM

Course summary

Digital technology has become an integral part of our lives, and today's teacher needs to keep abreast with the continuous developments to ensure effective implementation in the classroom. This course aims to keep you up-to-date with the current eLearning/mLearning trends and to exploit the potential of students' own devices to the best educational effect. Through practical, hands-on sessions you will learn how to create interactive lessons using the basic features of online tools and apps. We will evaluate the validity of these tools and discuss benefits and potential pitfalls, whether in a primary or a secondary school environment.

Course requirements

Applicants must have **B1** (Intermediate) level of English or above.

Participants need to bring their own laptop and USB stick with a minimum of 4GB capacity. Other devices or hardware will not be sufficient for course workshops.

Further details

We will look at the following**:

- Concepts: Web 2.0; gamification; BYOD; open source applications, etc.
- Online content creation with LearningApps, Padlet, Mentimeter, etc.
- Blogs and blogging, creating blogs and embedding websites
- Using tools like Hot Potatoes to create online and offline material
- Using audio and video tools

***The exact topics covered may vary, depending on participants' interests and time available.*

Certification awarded

- Certificate of attendance.
- The Europass will be signed and stamped by the Director of Studies, if presented duly completed and previously signed by the sending organisation.

*Our reduced hours policy applies in the case of 3 or less course participants.

**Lessons will be adapted and based on the enrolment form completed by the teachers before the course starts and the needs analysis carried out on the first day of the course.

*** If the level of English does not correspond to the course requirements, the participant will be asked to join a more appropriate course.

Course requirements

Applicant should have an **A1/A2 (Elementary and Weak Pre-Intermediate)** level of English.

(Applicant will be asked to take a placement test on the first day of the course).

Applicant must be a **teacher** or **educational staff**.

Further details

Preparation

Each applicant will be asked to complete an enrolment form before the course starts. This will make it possible to plan around the participants' needs.

Course outcomes

Learners will

- enhance their knowledge of general English working towards an A2 level.
- have the opportunity to practise English and gain confidence in using the language.
- engage in a number of practical activities that encourage critical thinking.
- explore the sounds of English.

Units

The course will include the following units

Language Development

- Language awareness: exploring and building up lexical and grammatical areas.
- Developing the four languages skills: listening, speaking, reading and writing.
- Communication skills: gaining confidence and fluency.
- Phonology: working on stress, rhythm, intonation and phonetic sounds and symbols.

Certification awarded

- Certificate of attendance.
- A signed and stamped Europass will be given to the participant if previously and duly completed by the participant and signed by the head of the sending organisation.

ENGLISH LANGUAGE DEVELOPMENT FOR TEACHERS AND STAFF WORKING IN EDUCATION - LEVEL B1/B2

Course summary

This course is aimed at teachers and educational staff who are interested in developing their English language skills to be able to communicate more effectively and with greater confidence. Participants will be able to 'brush up' and practise their English in an English speaking and interactive environment. The course also includes a number of lessons that focus on cultural topics, for instance, local traditions, history and geography. The participants will engage in a number of hands-on activities.

Course requirements

Applicant should have a **B1/B2** (Intermediate and Upper-Intermediate) level of English. (Applicant will be asked to take a placement test on the first day of the course).

ENGAGING LEARNERS

Course summary

One of the most common questions any dedicated teacher asks themselves is 'How can I make this more interesting for my students?'. This course will offer answers and solutions to such a question by describing how lesson shapes and class dynamics can make learning more enjoyable and improve classroom atmosphere. How creative activities and techniques can be used to make even the most mundane topics fun and engaging. Participants will increase their teaching knowledge and methodology as well as picking up many practical ideas and activities to use immediately in the classroom. This course is designed for English teachers of all ages, Primary, Secondary and adults. The methodology, approaches, and activities learnt on the course are applicable for groups of all levels.

Course summary

This course is designed for any teachers who want to improve their knowledge and ability to teach business English both in-company, one to one and in class. The course is ideal for teachers who already find themselves with corporate clients and wish to improve their skills and for teachers wanting to expand into this area with no previous experience.

The course will give the participants a full understanding of the key-features of business English and how it is different both in approach and content to general English. The course will provide participants with practical ideas and materials not only to use in the classroom, but also in winning business English contracts and designing courses.

Participants will also increase their active knowledge of useful language for the business English classroom.

Course requirements

Applicants must have **B2** (Intermediate) level of English or above.

Course outcomes

Learners will:

- Understand the concept of business English and its key features
- Understand how to design a business English course
- Learn and practise the approaches used in the business English classroom
- Improve knowledge of business concepts
- Learn new ways of presenting English to learners
- Improve their functional English in business
- Gain practical ideas and materials and activities to use in the classroom

Certification awarded

- Certificate of attendance.
- The Europass will be signed and stamped by the Director of Studies, if presented duly completed and previously signed by the sending organisation.

ERASMUS+ PROJECT DESIGN AND MANAGEMENT

Course summary

This course aims to provide a broad knowledge of the Erasmus + program related to Key Actions 1 and Key Action 2 and allow schools to develop the skills necessary to undertake, assess, and manage project actions. A particular focus will be dedicated to the new Erasmus+ Accreditation. The course trainers have around 20-year experience in European project management and planning, and they planned lessons and materials to transfer their know-how and develop participant skills.

The modules will cover all the needs of the project cycle from developing the idea, finding partners, designing, and developing the concept, managing, assessing, and reporting. Step by step, you will be guided to create your international project, and, thanks to the five extra hours of distance learning assistance, you will be supported in setting up your project proposal.

The international environment of this course and the networking activities organised by

Lessons per week	30* Language Development
Minimum age	21+
Lesson duration	1 lesson = 45 minutes
Class size	Maximum 12
Course fee	1 week course - €400
PIC number	948862634
OID number	E10056610
Course leader	Mariangela Gasparetto
Course location	Easy School of Languages, 21, St Ursula Street, Valletta.

DATES*	COURSE CODE
17/04/2023 - 21/04/2023 (5 days)	TTPD 001-23
11/09/2023 - 15/09/2023 (5 days)	TTPD 002-23

EasySL will allow you to contact teachers and educational operators from all over Europe and get the chance to network, find new partners, and exchange good practices.

Course requirements

Applicant should have an **A1/A2 (Elementary and Weak Pre-Intermediate)** level of English. (Applicant will be asked to take a placement test on the first day of the course).

Teachers and school managers; managers of training organisations or adult education institutions.

Course outcomes

Learners will

- You will acquire knowledge of the Erasmus + program with specific reference to schools' KA1 and KA2 actions.
- You will know the programmatic documents, the Program Guide, and other documents helpful in identifying the correct lines of development in the European context.
- You will become more fluent and accurate in using the English language to write a European project
- You will acquire the fundamentals of a goal-oriented design methodology.
- You will get the skills to manage a European project effectively
- You will develop skills in writing Erasmus + assignments by analysing official forms.
- You will learn how to monitor the project development and evaluate its outcomes
- You will be more confident in managing the financial and administrative issues of the project
- You will enlarge and enforce your international network
- At the end of the course, you will have developed your project proposal

Methodology

The methodology is highly practical. Practical simulations, experience comparisons, laboratories, case analyses will be carried out for each module, along with theoretical lessons and presentations. The participants will get a wide range of materials and tools to be used to design a successful project. Participants will work on actual application forms and templates to acquire concrete skills. In addition, they will receive valuable materials from implementing, managing, and reporting the ongoing projects.

Certification awarded

- Certificate of attendance.
- A signed and stamped Europass will be given to the participant if previously and duly completed by the participant and signed by the head of the sending organisation.
