25+ General English Course

English in Chester has been running courses for business and professional people for over 20 years. We were established in 1976 and are a medium-sized, owner-managed School. We are a team of very professional and caring people dedicated to providing a first class experience for all our clients.

English in Chester is ideally located in a quiet, historic square within easy walking distance of the city centre. It is important for our clients that we have one building which is dedicated to their needs and away from younger students.

We offer a wide range of Business English and English for Special Purposes courses. All courses will include an element of general English appropriate to the needs of our clients. For people who simply want general English, we also offer a full-time 25+ General English Course. On all our courses there is a relaxed and friendly learning environment and a lot of personal attention both in and out of the classroom.

## YOUR STUDY LOCATION - CHESTER, NORTH WEST ENGLAND & NORTH WALES

Chester is one of Britain's most famous heritage cities with over 2000 years of history. It is a very "English" city and is an ideal location for our clients. Tourism is very important for Chester. There are a number of interesting tourist attractions and a tourist infrastructure that provides everything that our students need; a good cultural life, fine restaurants, historic pubs and excellent shopping. There are parks and river walks for relaxation, good opportunities for the sports and fitness enthusiast and an excellent nightlife.

Chester is well-located for those who like to explore large cities such as Liverpool, Manchester and York. The magnificent countryside of North Wales, the Snowdonia National Park and the Lake District are also easily accessible.

We offer an optional excursion programme to introduce you to Chester and the surrounding area. For those who like to explore on their own or with friends we provide information and advice.

The Executive Group Course

This is a very important aspect of an English language course and we place great emphasis on accommodation and welfare. Most of our clients stay in a homestay, either standard or executive, and comment on the warmth of the welcome, the standard of the cuisine and the great opportunity to practise English and find out more about British life and culture.

For clients with us for 4 weeks or more we have a very comfortable student residence in the pleasant suburb of Hoole, a 20-minute walk from the city centre. The rooms are en suite and there are excellent shared kitchen facilities.

Some of our clients stay at our partner hotel, the Express by Holiday Inn (Chester Racecourse), which is just around the corner from the school and within easy walking distance of the city centre.

We have an excellent welfare team in the office who are available to help and advise at all times.

## YOUR JOURNEY TO CHESTER

English in Chester looks after you from the moment you arrive in England. We offer a friendly taxi transfer service to your homestay from our local airports (Manchester and Liverpool). It takes approximately 40 minutes.

We are really easy to get to. Most European students will be able to fly direct to Manchester or Liverpool. Other students can fly via airports like Paris, Frankfurt, Madrid or Amsterdam. Travel to London is easy. There are frequent direct trains and the journey takes 2 hours.
