# GREAT THINGS START HERE AT BRITISH STUDY CENTRES

At BSC we support Young Learners, and inspire them to achieve more, by delivering outstanding, transformational learning experiences. Our nurturing, supportive and progressive culture is built on decades of expertise, and our courses are created to help Young Learners improve their language skills whilst gaining confidence and developing skills for life.

As part of a large multicultural community, students immerse themselves in exciting study and travel experiences, creating memories that last a lifetime. When you choose a BSC centre it's the start of something great.

## WHY CHOOSE US?

### 1. Unique Locations

Whether you're looking to book at one of our prestigious independent boarding schools or one of our BSC centres you can be sure that each location will offer Young Learners a unique experience.

### 2. Academic Excellence

We use an innovative, communicative approach to teaching and all our teachers are qualified to teach English as a foreign language (CELTA, Trinity TESOL or equivalent). Lessons are fun and interactive with a high level of student involvement as each class has a maximum of 15 students.

### 3. Welfare

The safety and well-being of our Young Learners is our number one priority. We are dedicated to ensuring our students have a safe, happy and enjoyable stay.

### 4. Nationality Mix

In a typical year we welcome students from over 80 countries including Italy, Germany, Russia, France, Spain, Thailand, China and Brazil. When Young Learners study at BSC they receive a truly multicultural experience and make friends from all over the world.

### 5. Skills for Life

Our programmes focus on more than just teaching English. Students will develop a range of skills which will help them through life. Greater confidence, communication skills and the ability to work as part of a team are just some of the benefits of choosing one of our English programmes.
