The Club has won over 20 trophies in only seven years, 38 in its history becoming the most successful football club in France with many great players including Ronaldinho, Beckham, Ibrahimovic, Neymar, Messi and Mbappé.

Our programmes in the UK offer an 'Open to All' football experience within Schools, Colleges & Holiday Camps. Our Residential Holiday Camps offer International players the opportunity to train the Parisian way!

Residential camps in the UK offer players the chance to be trained by UEFA qualified coaches with amazing sports facilities. All campuses offer students the chance to immerse themselves in British culture and can also add on English courses to develop their language skills. Camps are also attended by English players to help students work on their English and football skills at the same time!
