All junior homestays provide a private room, three meals a day and plenty of opportunities to join the family in their day to day lives. Junior homestays are carefully selected to ensure that families are caring, engaged and understanding of the particular needs of our younger students.

Around one month prior to arrival in Australia, students will receive a full 'host family profile', with photos and information about the family, as well as email or Facebook contact details. Many students tell us that their time with their host families was a highlight of their stay in Australia!

- ✓ All families are carefully selected and homes regularly inspected by our Homestay team
