

Information leaflet for horseback riding

1. Meeting point
The meeting point from Monday to Friday is generally at the school or the stables of "Rutas Caballo Tarifa", or at the weekends according to the arrangements made with the stable. The excursions always start from the stable, which is 7 kilometres away from the town, quite close to the beach.
2. Exception
If weather conditions are not good for horse-riding, Rutas Caballos Tarifa will leave a message at Escuela Hispalense which students can see after their classes at 13.30h.
3. General
All questions, special requests, suggestions and criticisms regarding horse-riding should be directed to Rutas Caballo Tarifa and not to Escuela Hispalense.
4. Please bring with you:
 - sunglasses, sun hat
 - sun protection with a high factor
 - drinks
 - helmet (if possible)
 - horse-riding trousers (if possible), if not, comfortable casual trousers
 - horse-riding boots (if possible), if not, solid shoes
5. The price of the package includes accident insurance.
6. The transport to the stable and back to Tarifa is included in the price. In high season, if it's impossible for the school or for Rutas Caballo Tarifa to take the student to the stables, the school will pay the student's bus fare.
7. Meeting point
At the school or at the stables. Rutas Caballos Tarifa is located about 7 kms from Tarifa going towards Cádiz, after Camping Paloma.
8. Payment & cancellation
The prices for all-inclusive packages are only valid if bookings are made prior to arrival. Students who have not booked before and would like to join any of the activity packages can obtain the current prices through Escuela Hispalense.
All pre-booked packages must be paid for in full before the courses start. If payment is not made in advance, the student cannot profit from the special package price.
Students who voluntarily do not attend or who drop a booked activity programme cannot claim the money back. If a student waives the booked activity programme, the lost hours can not be compensated another day. If the instructors of any of the activities consider the conditions suitable for the activities, all enrolled students should participate.
Cancellation of the package upon arrival will incur a cancellation fee of 30% of the full price. Fees for Spanish classes and accommodation will be charged in this case according to the official price list (without the discount for the package).
