# The city that has it all

## Culture

Madrid boasts over 70 museums and art galleries – including the world-famous Prado and Reina Sofía museums - theatres, cinemas, world class architecture and a vibrant music scene, you will never be short of cultural offerings.

## Nightlife and shopping

There's something for everyone in cosmopolitan Madrid. From a relaxed pavement café in the Plaza Mayor to a sophisticated roof-top bar with views over the city, or maybe all-night dancing in one of the many clubs then on to hot chocolate and *churros* in the early morning, you will have the time of your life.

All the top international brands await you, whatever your style, with premier shopping streets such as Gran Vía and Calle Serrano, malls full of shopping and leisure options, or if this is not your scene, browse street markets and artisan boutiques.

## One of the greenest cities in Europe

With beautiful parks such as the Retiro or Casa de Campo, tree-lined boulevards, kilometres of riverside gardens, or snowy mountains less than an hour away, nature is possibly Madrid's best kept secret.

You'll enjoy hundreds of kilometres of walking, cycling and a wealth of other natural pursuits.

# Our school in Madrid

We're located very centrally, in the heart of the Spanish capital. Five minutes from the bustling Malasaña and Chueca neighbourhoods and a stone's throw from Serrano shopping street, you'll never be short of things to do. We're ten minutes' walk from the Retiro Park, too, and fifteen from the Puerta del Sol.

There are two metro stations nearby, Colón and Alonso Martínez, so you can get to any part of the city quickly and easily.

Our centre is modern, air-conditioned, and well-equipped, with a café, study room and 29 classrooms.

# What do our students say?

The teachers went out of their way to ensure we covered the topics I felt I needed to work on, the classes were relaxed, fun, but also clearly focused and structured.

Raphaël, France

Madrid is the most welcoming city in the world. The friendliness of the people made my weekends, giving me the best memories and touching my soul. I believe that life's journey is best measured in friends rather than miles, and I made a lot of friends from different countries at IH Madrid.

Gabriella, Italy

My plan was to take Spanish lessons at IH Madrid for three weeks, but I ended up staying in the city that I love for two months - and I enjoyed every second of it!
