Testimonials

"A great school with professional teachers!!!!!!!"
Christian Kupka

"I did a CPE preparation course here and got 215/230 points, what else can I say... The teachers are very friendly and helpful and help create great learning atmosphere which is benefitted by the small classes. The administrative team also does a great job in providing housing and solving everyday problems. I'm glad I spent a month in Shrewsbury!"
Meinrad Müller

"I really really enjoyed my 3 weeks at Severnvalle Academy... Thank you all for your kindness, your advice... When I was arrived, I was ashamed to speak English and now it's different. I didn't reach my aim to dream in English but I am proud of myself. I improved my English. If I had more time, I would have stayed a few more weeks. I met some people from different countries and it's very interesting to discover their culture, sometimes it wasn't easy to understand them with their accent. I'm sure to keep in touch with some of them including my host family. She is a lovely person and we had a great time together."
Alexandra Geoffroy

"The best experience of my life! Excellent school and good teachers in a lovely atmosphere! A full immersion in the British culture and a perfect school to improve your English level... I recommend Severnvalle Academy to everybody."
Cristiana Dicatoro

"My experience in Severnvalle is one of the best memories. Thank you, all the teachers, my groupmates and my host families!"
Natasha Sazonova

"To be honest – it wasn't my idea to spend my holidays in an English school, and even not in January. But in the end I must confess that these three weeks had been one of the best in my life! The teachers are outstanding and the admin staff are first class! It's really a great place to learn and speak the language!"
