Teacher Training

International House Dublin is a globally-recognised, leading provider of English Language Education in Ireland. Recognised by ACELS, a service of Quality and Qualifications Ireland, we are also a proud member of EAQUALS, and an affiliate member of International House World Organisation, one of the largest language teaching organisations in the world.

At International House Dublin, it is our priority to deliver a learning experience of the highest possible quality, delivered in a friendly, supportive environment both inside and outside of the classroom.

Our Teacher Training programmes are engaging and challenging, with the highest quality education focusing on both theory and practical aspects of language teaching. International House Dublin has trained over 2000 English language teachers, originating from all over the world.

Teachers who study with us are guaranteed an amazing and rewarding experience that they will not soon forget, preparing them extensively for work within the field of language education.

University of Cambridge CELTA

The CELTA (University of Cambridge TEFL) course is the most widely recognized English language teaching qualification worldwide, and International House Dublin is the longest running CELTA centre in Dublin! We offer both full and part-time courses, all of which are externally assessed by a University of Cambridge ESOL moderator, thus ensuring that all of our candidates receive the best standard possible for your teacher training programme.

The CELTA course is aimed at a range of candidates including:

- Candidates entirely new to teaching.
- Candidates who have taught languages, but with little or no previous training.
- Candidates who have taught other subjects and wish to take up language teaching.
- Candidates who have received previous training in language teaching, but feel the need for a refresher course, for a more practical qualification, or for a more internationally recognized qualification.

Course length

- Full-time CELTA: 4 weeks
- Part-time CELTA: 15 weeks

Class timetable

- Full-Time CELTA: Monday to Friday, 9:00 - 17:15
- Part-Time CELTA : Flexible schedule for online input sessions, to include interactive tasks, collaborative tasks in discussion forums, live sessions, observations of filmed lessons, assignments and tutorials. Teaching practice with language learners are fixed in two blocks, according to specified dates.

Teacher Refresher Course

Our Teachers' Refresher Course is designed for teachers whose first language is not English and who wish to refresh their English language skills, while simultaneously exploring new methodologies and different approaches to teaching a language. This course consists of lectures, workshops and communicative sessions. It is perfect for teachers who wish to take home lots of practical ideas and activities, to use with their own students.

This course is recognized for funding under the Erasmus+ Programme.

Typical sample sessions include:

- Lesson frameworks
- Irish culture sessions
- Activities for language practice
- Authentic material
- Exploiting technology

Class timetable: Monday to Friday, 09:00 – 13:30 and Monday to Thursday, 14:30 - 15:45

CLIL Programme

Our Teacher Refresher CLIL programme is designed for teachers whose first language is not English to refresh their English language skills while simultaneously exploring the principles behind CLIL. It is perfect for teachers who wish to take home lots of practical ideas and activities, to use with their own students.

This course is recognised for funding under the Erasmus+ Programme.

Participants on this programme will:

- Develop an understanding of the principles behind CLIL
- Consider methodology, lesson frameworks, teaching strategies and skills for use with CLIL
- Evaluate, adapt, and design materials for language learning in a CLIL subject
- Share best practice and ideas from the participants' teaching and learning context

Class timetable: Monday to Friday, 09:00 – 13:30 and Monday to Thursday, 14:30 - 15:45

Integrating ICT into Language

Our Integrating ICT into Language Education programme is designed for teachers whose first language is not English, to refresh their English language skills while simultaneously exploring the role and use of digital technology within today's educational context. This course consists of lectures, workshops and communicative sessions, providing practical tools for teachers to use with their own students.

This course is recognised for funding under the Erasmus+ Programme.

Suitable for secondary school teachers, this course will include the following elements

- Internet skills and literacies
- Impact of technology on language teaching methodologies
- The use of mobile and handheld learning in the classroom
- Use of learner management systems
- The role of technology in teacher development
- Making the most of apps and social media in class
- The detailed course content will be agreed upon before each session according to the needs and requests of the participants.

Services

IH Dublin Social Programme

We organise a weekly Social and Cultural Programme year-round, which offers a variety of exciting activities and trips for our students to join! Students can sign up for any, or all of the activities each week and we really encourage them to do so!

The Social and Cultural Programme is a great way to make friends from all over the world and to really experience Irish life.

We are always eager to hear feedback and encourage students to come to us with ideas and suggestions. If there is something you would like to see or do, let us know!

IH Dublin Study Club

International House Dublin organises a series of interactive sessions to help students improve their English skills outside of the classroom. IH Dublin students can choose to attend and or all of the sessions offered, which focus on Conversation, Culture & Language, Pronunciation, Exam Strategies, and Guidance for Self-Study.

Welfare Support

A dedicated welfare officer is available to meet one-to-one with students on request, to provide support and advice regarding students' personal welfare throughout their stay.
