

SUMMER CITY CAMP 2026

for children from 7 to 10 years

Join us for our Summer City Camp for 7 to 10 years old children! A full immersion in the **Italian language**, where they will find themselves at ease learning Italian by playing fun educational games tailored for their age, during the **language classes** at school in the mornings, and in the afternoon activities to discover Turin and the Italian way of life. Day after day, they will improve their language skills, such as listening com-

prehension and their ability to manage easy everyday situations in Italian.

A team of professionally trained mother tongue teachers and activity leaders will take care of the kids' welfare day-to-day, guaranteeing experienced supervision at school during the morning classes, as well as during lunch and all leisure activities in the afternoon.
