5) PERCORSI TORINESI – 5 days to discover Turin, its history, art, and culture

"Percorsi Torinesi" are cultural classes outside the classroom, in Turin's streets and piazzas, in the city's palaces and museums. These classes aim at the discovery and at a better understanding of Turin's present and past and at the practice of Italian. The student will have 5 days to get to know different epochs that influenced the city, the most beautiful neighborhoods, the architects, and artists that worked and created in Turin over the last centuries.

Each **Percorso** is of one week duration, **12/13 hours in total**, and is held from Monday to Friday, **10:00 – 12:00/12:30**. Italian is the only language spoken during the classes, and at least B1 level

(Intermediate level) is necessary.

5) TORINO – ACQUI TERME: DISCOVERING PEIDMONT

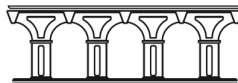

Those who want to discover more than the capital of Piedmont, can combine a week in Turin with a week in Acqui Terme, in midst of the beautiful hills of the Monferrato area, also in 2024. Acqui Terme, or “la Bollente” as it is called, is a picturesque city between Asti and Genoa, famous for its natural hot springs and surrounded by the renowned wine yards of the Monferrato. Though it was founded by the Roman, it has a fascinating historical city center with a medieval layout. An ideal place for a relaxing Italian language course in the morning! In the afternoons and evenings Acqui Terme will surprise the students with a rich cultural life and invite them to discover its delightful wines and cuisine. Those who want to relax and do something for their well-being can take advantage of the city's thermal springs and spas. Day after day plenty of possibilities to learn and practice the Italian language with true Piedmont people.
