# Exams Overview and CELTA Courses

The International English Language Testing System (IELTS) is an internationally recognised test of English language proficiency, taken by millions of people around the world every year. It consists of four parts: Listening, Reading, Writing and Speaking. Test takers can sit either the Academic module or the General Training module.

Centre of English Studies is an official British Council IELTS test centre. We offer the IELTS test on both computer and on paper. CES is Ireland's longest running test centre in Ireland with venues in Dublin and Galway. We were the first centre in Ireland to deliver the IELTS test on computer in 2019. The computer tests are offered six times per week in our city centre computer test room. Results are available within 2 to 5 days. The paper test is offered on Saturdays and Thursdays throughout the year. The test can be booked via our website [www.ieltsdublin.com](http://www.ieltsdublin.com) which also includes information on the test day, our location and preparation resources.

In 2024, we launched One Skill Retake. This allows candidates to resit one section of the test (Listening, Reading, Writing or Speaking).

## IELTS for UKVI

We are Ireland's only IELTS for UKVI centre. This IELTS test is specifically for those applying to live, work or study in the UK. We offer this test once per month in addition to Life Skills, which is a British Council test of English for UK immigration purposes.

Authorised Exam Centre

In 2024, in addition to Cambridge First (B2) and Advanced (C1), we will be running the Preliminary test (B1). These internationally recognised examinations offer qualifications for those at different levels in their English learning. The test is delivered on both paper and computer with multiple dates throughout the year. Dates, information, preparation resources and booking information can be found at our website [www.cambridgedublin.com](http://www.cambridgedublin.com)

Centre of English Studies is Ireland's only open, public test centre. Candidates who sit the TOEIC Listening & Reading test at CES gain a qualification that is internationally recognised and can be used for various purposes such as college enrolment or job applications. We offer the test approximately once per month at our computer test room in the city centre. The test takes approximately 2.5 hours and can be booked via the TOEIC booking page.

The OET continues to be an extremely popular examination with medical professionals in Ireland seeking to enter the profession here. We offer this test twice per month, on Saturdays. The test covers the four skills – Listening, Reading, Writing and Speaking. There are specific versions of the test depending on the test taker's profession – e.g. nursing, medicine, dentistry, etc. Information on the test, resources and booking information can be found at [www.oet.com](http://www.oet.com)

The University of Cambridge CELTA course is the most recognised introductory teacher training qualification internationally.

This certificate ensures you are provided with an insight into the professional life of a functioning school and brings you into direct contact with overseas learners. The CELTA certificate entitles the bearer to teach the English language to non-native speakers around the world. This certificate is now the benchmark qualification for employment in the quality EFL sector.

## OTHER EXAMS INCLUDE

# Homestay Accommodation

**One of the best ways for students to improve their spoken English is to choose homestay accommodation. Family life is informal and the people are welcoming, friendly and talkative.**

Our warm and friendly hosts come from a variety of careers and backgrounds but they all share the same passion for welcoming students into their homes, and like nothing better than sharing a natter over a cup of tea and a biscuit. By telling us exactly the kind of experience you would like to have, letting us know if you have any allergies, food preferences, or if you would like to live in a homestay that has children living at home, we will do our best to find the right option that matches your expectations. Homestays are carefully selected and regularly reviewed by our Accommodation Officers to ensure consistently high standards.
