# 10 reasons to book a language course with Home Language International

## 1

**LSI**  
Education

HLI UK is now part of the LSI Education Group. Our parent company, LSI has over 55 years of experience and 14 schools in 7 countries around the world. You can learn English in one of our schools in England, Canada, the USA, New Zealand or Australia or French in France and German in Switzerland. We also have an Independent Sixth Form College for A-levels in London.

3

Our courses are available **all year round**: you choose the dates that suit you.

4

We have **over 2,000 qualified host teachers worldwide**: special attention is given to match your interests with those of your host family.

5

Our regional **Local Organisers** are on hand to ensure that your stay is enjoyable: no matter where you go there will be someone on the spot to help you.

8

Our courses are **suitable for all ages and all levels**: you will improve your school grades, master your exams, better your job prospects.

9

**Unique personalised courses**: you can choose from our many cultural, sporting, and leisure activities.

10

A **memorable full-immersion experience**: sharing your host family's life will give you a unique insight into another culture and language.

HLI is accredited by the Accreditation Service for International Schools, Colleges and Universities (ASIC). HLI has earned Premier status with ASIC for its commendable areas of operation. ASIC accreditation helps students and parents make a more informed choice and will also help a school, college, university, training provider or distance education provider demonstrate to the international student body that they are a high quality institution. HLI chose ASIC because it is the largest and only truly international accreditation body enabling students to obtain visas for the UK and other countries. ASIC recognises universities and schools worldwide and is by far the largest and most important accreditation body.

Home Language International (HLI) offers full-immersion language courses in 20 languages in over 30 countries worldwide.

## The full-immersion advantage

The most common criticism of language schools is that students speak their own language when not in class, this weakness is completely eliminated with HLI's method because you are the only student. You live and study in your own private teacher's house, share 3 meals a day, receive one-to-one personalised language lessons, and then continue to use the language during the rest of your stay as you share the daily life of your teacher and their family. Mealtime conversation, visits, and social contacts all take place in the language you are studying so you never stop learning!

Living with your teacher means that you have the opportunity to speak the language before, during and after your lessons for a true full-immersion experience. Your learning is constant and your progress is rapid.

### Private language lessons

Your teacher prepares the course for you alone. The lessons are completely personalised so your teacher will focus exactly on your needs and objectives. You can choose 10h (combined with activities or cultural excursions), 15h, 20h, 25h or 30h per week of one-to-one lessons and stay the number of weeks you wish. Whether you are a complete beginner or highly advanced, the lessons are adapted to your level and your requirements.

### Our host teachers

All of our teachers have either a recognised teaching certificate and/or a university degree (or equivalent). They have been visited by our Local Organisers which means that their qualifications have been verified and their homes thoroughly inspected.

We have more than 2,000 experienced teachers worldwide. Special attention is given to match your interests with those of the host family.

### Our Local Organisers

Every destination we offer is supervised by a resident Local Organiser whose job is to monitor the progress of each student and to make sure their experience with us is both enjoyable and successful.

### Adults & professionals

Our Classic programme is perfectly suited for adults and professionals looking for a fast and efficient way of learning a language in a comfortable and welcoming environment. Whether you wish to improve your fluency or learn a new language, our programmes are adapted to your needs. Some of our teachers have knowledge of subjects such as business, computing, engineering, tourism, etc. They are able to offer specialised courses using the vocabulary of these subjects on request.

### Children & teenagers

Children and teenagers are placed with carefully selected friendly host families who are experienced in teaching young students. Our programmes with activities, sports, cultural excursions, and farmstays are highly popular with teenagers and children who can learn whilst having fun. We also offer "cocooning" (closer supervision) option specially designed for up to 13 year olds, and students who are scared of leaving home for the first time can choose to share with a friend or parent.

# Information for your stay

## Transfers

We can arrange transfers from the nearest airport, station or seaport to your host family. Transfers are taken care of by the host family, the Local Organiser or a private driver (usually by car, occasionally by public transport). Please contact us for a quote if your transfer destination is not listed. If you do not arrive at the airport/port/station indicated on your family profile or if you arrive/leave the host family before 8am or after 8pm charges will be increased. A supplement may be charged for late arrival and UM services (unaccompanied minors) if there is a lot of waiting time. Transfers are usually individual but can in rare cases be shared with other students.

Students aged 15 and under **MUST** take 2-way transfers unless we are notified that they are accompanied by their parents.

A mobile phone number is required for all students who book transfers.

**See pages 63-64 for airports and prices.**

## Activities

We recommend that all students book activities as these allow them to practise what has been studied during the lessons and work on conversational skills while enjoying themselves. Keeping the younger students occupied contributes to making the stay successful.

Activities can be shopping for ingredients while learning vocabulary, going for walks and learning directions, or watching a film and giving a review. Activities can also be related to the students hobbies.

Activities are a fun and interesting way to learn and practise vocabulary and fluency.

## Your host family

We recommend that you contact your host family by phone or email at least one week before your arrival.

Our host families would like to learn more about you, your food preferences, language level and what you are expecting from your course. This will help them prepare better for your stay.

Families in a foreign country may not have the same way of living as you. You should be ready to accept different rules, food and cultural differences in order to get the most out of your stay.

## Spending money

We recommend you bring at least £65, €85 or US\$85 spending money per week.

## Insurance

EU students travelling to an EU country are advised to get the European Health Insurance Card. All students are advised to have personal insurance to cover any cancellation, loss of property, etc.

# Terms & Conditions

## By enrolling you accept the following:

### General

Home Language International (HLI) considers the choice of family to be more important than a specific town and reserves the right to place the student in another area if there is no compatible family in the area of first choice.

If the family we select does not match the requirements as stated on the booking form, students are free to cancel and will receive a complete refund provided the refusal is received no more than 48 hours after the family profile was sent.

If the original family selected cancels through illness or personal problems, a week or less before arrival (which rarely happens but when it does is unavoidable), a new replacement family will be provided but no cancellation will be accepted.

To the best of our knowledge all family details are correct when they are provided and HLI accepts no responsibility for subsequent changes in family circumstances that may occur without ourselves being informed. Please note that if the host family has children, HLI cannot guarantee that they will be present during the stay.

No refunds can be given if any family members are absent or if additional family members are present.

HLI must be notified of any problems or complaints before the end of the stay; if the student is a minor (under 18) it is the responsibility of the parent or guardian to inform us. Claims against HLI will only be considered if this is done.

Enrolments are accepted on the condition that students tell us if they have any illness or disabilities, and give us details in advance. HLI reserves the right to send home students who have not disclosed such information and also students who behave in an inappropriate manner. HLI reserves the right to place a student with more than one host teacher or change the family during the stay if we feel it necessary. HLI also reserves the right to organise a homestay with one family and lessons with an outside teacher if a teacher family cannot be found. No guest of the same nationality or mother tongue will stay in the family at the same time as an HLI student. Host families are however allowed to have guests of any nationality providing that they do not interfere with the HLI student's lessons or share the same language as them.

Please note only one discount can be claimed at any one time.

### Transfers

If transfers are booked HLI must receive flight numbers and arrival times at least one week in advance, otherwise the transfers are cancelled and non-refundable. If no transfers are booked the student should contact the family directly to let them have an approximate arrival time. If the family does not hear from the student, they will not expect them to arrive before 19h00. A mobile phone number is required for all students. Transfers are usually individual but can in rare cases be shared with other students. A supplement may be charged for late arrival if there is a lot of waiting time, as well as for arrivals and departures to/from the host family before 8am or after 8pm.

### Cancellations and insurance

- Up to 28 days before arrival: £200, €250, US\$250.
- 28 days to 48 hours before arrival: 50% of total fees.
- 48 hours or less before arrival: 100% of total fees.
- After the course start date: 100% of total fees.

Students MUST take out their own insurance against illnesses, accidents to themselves or third parties, loss of property and cancellations.

No refunds will be given for cancellations, accident, illness, loss of property, late arrivals (after the start of the course) or early departures (before the end of the course) or for any other reason. Students MUST take out their own insurance against illnesses, accidents to themselves or third parties and cancellations.

A credit note may be given for the accommodation and lessons, valid for a year.

Furthermore, when programmes with sports and leisure activities are cancelled or altered at any time, we have to refund the payment for the activity side of the booking to the host family in full because they in turn have paid for the activity several months in advance to secure places in busy periods. Therefore sports and leisure activities will be charged in addition to the cancellation fees in all cases.

### COVID 19 Cancellations

#### Up to 48hrs before arrival:

Students can receive a 100% refund on course fees if they are unable to attend their HLI programme due to travel restrictions imposed by governments in response to Covid-19, either in their home country or their HLI destination.

### Less than 48 hrs:

Students can receive a 100% refund on course fees minus deposit £200, €250 or US\$250 if they are unable to attend their HLI programme due to travel restrictions imposed by governments in response to Covid-19, either in their home country or their HLI destination.

### Alteration charges

Alterations of area, date or programme often mean cancelling one family and finding another, so we must charge £100, €150 or US\$150 in every case.

### Visas

We cannot issue visas but we can send a visa invitation letter by express courier, post or e-mail. It is the responsibility of the client to submit the correct documents to the relevant visa authorities. HLI will supply such documents on request from the client or the agent. If a visa is refused, for example because a document is badly filled in or is missing, the student should submit an application for a second visa, if this is refused HLI will refund all fees paid less the deposit. Please note there are often special requirements for students under 16 staying in the UK for more than 27 days and this can sometimes take the form of a letter to show that the local authority has been notified.

We enjoyed the classes in the mornings and we learned a lot of vocabulary. In the afternoon Margaret, our teacher took us to visit the natural history museum, Trinity College, the historical museum, shopping, an art gallery and even to an Irish tap dance class. We loved it and cannot wait to come back!
