

The Summer Course

Melton College is a great place to spend a few weeks in the summer.

The summer timetable is a balance of grammar, reading, writing, listening and speaking skills. York is safe, big enough to be interesting, small enough to be friendly.

After lessons, students can choose from our after-class activities including; literature and talks, sport or film, we also run a homework club.

On two evenings each week we arrange activities in the College and we have a series of optional extra evening events (for a small additional payment) in the City.

Students on our Summer Course are automatically on 'Homestay Extra', this includes full-board, a local bus pass and airport transfers.

Lessons out.

York is a really great city for students with lots to see and learn from in the streets, museums and historic buildings. To make the most of this, two double lessons each week will be based in a museum, an attraction or involve an activity in the City.
