

Do you wish to take a French language exam?

Over a period of **1 to 4 weeks**, deepen your knowledge of the French language and prepare for the well-known French exam: **the DELF or DALF**. These diplomas are valid without any time limitation and are required for enrollment in most French universities and prestigious schools.

DELFD (Diplôme d'Études en Langue Française)

DALFD (Diplôme Approfondi de Langue Française)

DELF and DALF are French language certifications designed for non-French speakers, issued by the French Ministry of National Education. The DELF consists of 4 independent diplomas, corresponding to the first four levels of the CEFR (A1 - A2 - B1 - B2).

The DALF consists of 2 independent diplomas, corresponding to the two highest levels of the CEFR (C1 - C2). **These certificates are valid without limitation of duration.**
