Our school is located on a hill, overlooking the sea on one side and the countryside on the other. With each of our spacious well-lit classrooms enjoying these panoramic views, our Marsascala school offers an idyllic setting in which to learn English.

## HOST FAMILIES

Students have the possibility to experience life within a Maltese household by choosing to spend their visit with a host family. Accommodation is on a Full Board basis, with students staying in shared twin rooms. All host families are located within walking distance from the school and are licensed by the Malta Tourism Authority.

## RESIDENCE CERVIOLA

Located 10 minutes away from the school, and 5 minutes away from the beach, the Cerviola offers all the necessary amenities to make your stay a comfortable one. It has 50 air-conditioned bedrooms, all with an en-suite shower or bathroom. Each room also has a TV and a fridge. There is a lounge and TV area, a rooftop swimming pool with panoramic views, as well as a rooftop snack bar with dining area. The sun terrace has sun beds and umbrellas and there is a lift to all floors. You may also make use of the free safe deposit at reception.

# ST. PAUL'S BAY

St. Paul's Bay and the neighbouring towns of Buġibba and Qawra are amongst the most popular summer resorts on the island, with restaurants, cafés, bars, and numerous facilities for water sports enthusiasts. The coastline along this region is mostly rocky. However, it is within easy reach of some of Malta's best sandy beaches. This area is very picturesque, with views, across the bay, of the Island of St. Paul, which has been identified as the place in which the shipwreck of the vessel carrying the Apostle Paul occurred.
