Depending on your level, our educational team will determine whether your classes take place in the morning or afternoon. With our 15-hour program, you will develop your skills in speaking, writing, listening, and reading, achieving a well-rounded proficiency in the language.

### IMMEDIATE PRACTICE AND CULTURAL ACTIVITIES

With our action-oriented approach, you will make quick progress in French and gain confidence in interacting with locals. Participate in educational activities outside your program to put your skills into practice and discover France in a unique way.

### PARIS, THE FASHION CAPITAL

### FASHION AND BEAUTY WORKSHOPS: DISCOVER PARISIAN CHIC

Each week, enjoy two exclusive fashion workshops. For example:

- Personal Shopper: A stylist guides you through Paris's top fashion spots, from concept stores to emerging designers.
- Makeup: Learn the essentials of organic makeup at a boutique near the Marais, with hands-on practice.
- Perfume Tour: Explore the most prestigious French perfume houses in iconic neighborhoods like Saint-Germain or the Marais.
- Perfume Creation: Craft your own unique fragrance with a master "Nose," using high-quality ingredients.
