POLICIES

GENERAL CANCELLATION & REFUND POLICY

1. In this policy, the word "program" refers to the full cycle for studies for which the student registered. Extensions of studies will be treated separately.
2. To be considered for a refund, a student or agent can submit a completed Cancellation Form or notify the school of the cancellation by some other means.
3. For any study program changes resulting in a decrease in the number of English lessons per week (e.g. 20 lpw to 16 lpw) after enrollment has begun, there will be a one time study program change fee of \$120.
4. For specialized Activity Programs (e.g. Study tours, English Plus, Junior Programs etc.), there are no refunds for homestays, activities, airport transfers, or excursions, but only for tuition that is offered as per the normal Cancellation/Withdrawal policy (see below).
5. There are no refunds or make-up classes for classes missed due to holidays, graduation, orientation, natural disasters and/or other situations beyond the school's control.
6. If Global Village Hawaii cancels a program that a student registered for, and proficiently tested into, Global Village Hawaii will refund all monies paid by the student. If the student came through an agency, Global Village Hawaii will check with the student's agency for any other fees that they may assess.
7. If a student is dismissed from school for violating school policies, Global Village Hawaii will refund the student per the normal Cancellation/Withdrawal policy [see below].
8. It is understood that students who register through travel agents have signed contracts with these agents that may include cancellation penalties, no refund policies, or home country refunds only conditions. In all cases regarding agent-sent students, Global Village Hawaii will confirm the conditions of agent-student contracts with travel agents before issuing any refunds.
9. Textbook fees will not be refunded once the books have been issued to the student. If a student has the same edition of textbook(s) from previous studies, the student may request a refund for the new textbook(s). The request must be made within the first week of studies. No refunds will be given beyond this period.
10. TLE/YLE Activity and Lunch are non-refundable unless cancellation notice is received at least four weeks in advance of the student's study program.
11. Cancellation/Withdrawal of Enrollment before the student's program start date or never attended class (no show):
 - 11a. Global Village Hawaii will refund all monies paid less the non-refundable fees: registration fee, accommodation/homestay placement fees, any actual housing costs incurred (including deposits) by Global Village Hawaii, express mail fees, and SEVIS related fees. However, if a student cancels within 72 hours of submitting the registration, Global Village Hawaii will refund ALL monies paid less non-refundable accommodation deposits, express mail fees and SEVIS related fees, if applicable. An amount not to exceed \$500 in identified nonrefundable charges may be charged in the event of a student's cancellation. All refunds will be made within 45 calendar days of the first scheduled day of class or the date of cancellation, whichever is earlier.
 - 11b. Students Denied Visa/Entry: A student denied a Student Visa or entry into the United States will be given a full refund of all monies paid less non-refundable school fees, accommodation deposits, any actual housing costs incurred by Global Village Hawaii, express mail fees and SEVIS related fees, if applicable. An amount not to exceed \$500 in identified nonrefundable charges may be charged.
12. Cancellation/Withdrawal of Enrollment before the student's program start date or never attended class/no show (Initial I-20). If a student who was accepted by GV Hawaii enters the United States on an I-20 obtained through GV Hawaii and subsequently cancels prior to the start of scheduled classes or never attends class (no show), GV Hawaii may retain:
 - 12a. For an enrollment period of fewer than 12 weeks, all the tuition charges for up to four (4) weeks, actual housing costs incurred by GV Hawaii, and a maximum total of \$500 for non-refundable charges, including any application/registration, courier or any other related fees.
 - 12b. For an enrollment period of 12 weeks or more, all the tuition charges for up to six (6) weeks, actual housing costs incurred by GV Hawaii, and a maximum total of \$500 for non-refundable charges, including any application/registration, courier or any other related fees.
13. Cancellation/Withdrawal of Enrollment before the student's program start date or never attended class/no show (Change of Status). If a student receives approval for a change of visa status with an I-20 issued by GV Hawaii and subsequently cancels prior to the start of scheduled classes or never attends class (no show), GV Hawaii may retain:
 - 13a. For an enrollment period of fewer than 12 weeks, all the tuition charges for up to four (4) weeks, actual housing costs incurred by GV Hawaii, and a maximum total of \$500 for non-refundable charges, including any application/registration, courier or any other related fees.
 - 13b. For an enrollment period of 12 weeks or more, all the tuition charges for up to six (6) weeks, actual housing costs incurred by GV Hawaii, and a maximum total of \$500 for non-refundable charges, including any application/registration, courier or any other related fees.
14. Cancellation/ Withdrawal of Enrollment after the student's program start date: For all cancellations, students can notify Global Village Hawaii by completing a Cancellation Form or notifying the school of the cancellation by some other means. If a student does not notify the school that he/she is withdrawing, Global Village Hawaii will check attendance records and if the student has been absent for more than 10 consecutive class sessions, the student will be dismissed from school and the student's I-20 Form will be terminated. Global Village Hawaii will calculate the student's refund (if applicable) based on the last day of attendance. Any money to be refunded will be mailed to the student's home address or to their travel agent.
 - 14a. No refunds will be given for the first 4 weeks of the student's study program.
 - 14b. For students who cancel/withdraw after the first 4 weeks but before or at the midpoint of the student's study program, Global Village Hawaii may retain a prorated amount of tuition and other fees. For students who withdraw after the midpoint, Global Village Hawaii may retain all of the charges for the student's study program.
 - 14c. Prorated refunds will be calculated on a weekly basis. When determining the number of weeks, Global Village Hawaii defines a partial week as if a whole week were completed, provided the student was present at least one day during the scheduled week.
 - 14d. For students who cancel/withdraw after completing the initial study program, but before or at the midpoint of any subsequent study program, GV Hawaii may retain a prorated amount of tuition and other fees up to the midpoint. For students who cancel/withdraw after the midpoint of any subsequent study program, GV Hawaii may retain all of the charges for that study program.
 - 14e. Refunds due students may not be applied toward future tuition fees.
 - 14f. Students who cancel/withdraw before the first 4 weeks or after the midpoint of the student's study program due to a death of an immediate family member (spouse, parent, grandparent, child, brother, sister, mother-in-law, father-in-law, or legal guardian), Global Village Hawaii will refund 50% of the student's unused tuition and refundable fees upon receiving official documentation of the immediate family member's death.

POLICIES

HAWAII POLICIES CONTINUED

LEAVE OF ABSENCE POLICY

Global Village Hawaii defines a leave of absence (LOA) as an authorized absence from one's study program. Students can request a leave of absence by completing and signing the Leave of Absence Request Form at least 5 working days prior to the start date of the leave of absence, unless unforeseen circumstances prevent the student from doing so. The students must specify a reason for the leave and date the LOA Request Form. Approval of the LOA will be documented by the President's signature on the LOA Request Form and a copy of the form will be made available to the student. An electronic copy of the LOA Request Form will be filed in the student's record in the CLASS database.

If the student does not report to school at the end of the LOA, Global Village Hawaii will check attendance records thereafter and if the student is absent for more than 10 consecutive class sessions, the student will be dismissed from school and if applicable, the student's I-20 Form will be terminated. The Global Village Hawaii Cancellation Policy will be applied based on the student's last day of attendance.

GV Hawaii has the below types of leave of absences.

1. Vacation LOA

Students who are in good standing and have studied for 26 consecutive weeks will be allowed up to 8 weeks of LOA. LOAs are approved in weekly segments from Monday to Friday. Students in good standing are defined as students who are not on probation or on a Student Learning Plan (SLP). Students in long term programs such as the Academic Year Program and Semester GAP Program that have vacations or leaves of absences already built in the program, will not be eligible to take vacation LOAs except for emergency leaves of absence. Accrued LOA must be used within a year of being earned. GV Hawaii will not charge any additional fees as a result of the vacation and will offer the student to apply the tuition of their approved LOA in weekly segments as an extension to the student's original study period.

Example: Student A's original study period is from January 5, 2026 to October 30, 2026 [43 weeks]. Student A is in good standing and has been approved a vacation LOA of 6 weeks from July 20 to August 28, 2026. Student will be offered to apply the 6 weeks of tuition as an extension of their study period to end on December 11, 2026.

2. Medical Emergency LOA Students needing medical attention for illnesses or health conditions may request an LOA. An official doctor/health care provider documentation (e.g. summary of medical visit) is required in advance of the beginning date of the LOA unless unforeseen circumstances prevent the student from doing so. Failure to bring a doctor's note will result in marking the days missed from school as absent. A student will be allowed to take their LOA for the period specified by their doctor/health care provider as noted on the official doctor/ health care provider documentation. If a student wishes to extend their medical emergency LOA, then the student will need to submit another LOA request in person or by other means (e.g. email) at least 2 business days before the original LOA ends unless unforeseen circumstances prevent the student from doing so. The student must also submit additional documentation from their doctor/health care provider with the recommended extended LOA period and reason for the extension. GV Hawaii will not charge any additional fees as a result of the medical emergency LOA.

3. Family Emergency LOA

Examples include but are not limited to death of a family member; severely ill or hospitalized family member; or other events determined applicable by GV Hawaii. Special exceptions can be made for non-family members depending on the type of relationship with the student. Documentation (e.g. medical documentation or obituary) of the family emergency is recommended when submitting the LOA request in advance of the beginning date of the LOA unless unforeseen circumstances prevent the student from doing so. GV Hawaii will not charge any additional fees as a result of the family emergency LOA.

4. Military Service Emergency LOA

Examples include but are not limited to official military orders (e.g. deployment) or other events determined applicable by GV Hawaii. Documentation (e.g. military order) of the military service emergency must be submitted when making the LOA request in advance of the beginning date of the LOA unless unforeseen circumstances prevent the student from doing so. GV Hawaii will not charge any additional fees as a result of the military service emergency LOA and will offer the student to apply the tuition of their approved LOA in weekly segments as an extension to the student's original study period.

Students will need to see the President for approval of their requested leave of absence. Any approved leaves of absence may consist of multiple leaves of absence provided the total leave does not exceed five (5) months in a 12-month period. An LOA of more than 4 weeks may require retesting with a Proficiency Test upon return from the LOA.

The length of the leave of absence may be extended provided all the above conditions are met. To extend an LOA, a written request can be given to the President for his/her signature and approval prior to the end of the current LOA unless unforeseen circumstances prevent the student from doing so. A copy of the form will be available to the student either before or upon his/her return to school. Leaves of absences do not count towards the duration in a class level in terms of making student progress nor as part of the 36 months of maximum language training allowed at GV Hawaii.
