SPECIALIZED PROGRAMS

GLOBAL COMPETENCE CERTIFICATE

(CALGARY, VANCOUVER, VICTORIA)

Inter-cultural skills are highly valued by employers in today's global workforce. In this program students have the opportunity to earn the Global Competence Certificate, which demonstrates the ability to communicate effectively and build relationships internationally.

Taken in conjunction with English language classes, this course helps students develop the knowledge, skills, and the understanding needed to build a more just and peaceful world, including: self-awareness, awareness of others, emotional intelligence, and connecting to others.

ACADEMIC YEAR PROGRAM (HAWAII) / GAP YEAR (VICTORIA)

SEMESTER GAP PROGRAM (HAWAII, VICTORIA)

The Academic Year Program/GAP Year Program is a year-long, intensive, English language course of study. At GV Hawaii, there are three scheduled semesters throughout the academic year. Students can join this program from any of the three semester start dates, though the student must study for three full semesters.

At GV Victoria students can begin any week, and may choose from various study options throughout the year (General English, English for Business, IELTS, etc.). Students wishing to spend a GAP Year at GV Victoria can study for 2 to 48 weeks, and travel, volunteer or participate in a farmstay experience during an official break.

Similarly, the Semester GAP Program is offered three times per year, and students may choose any one semester. At GV Hawaii, semesters are 24 weeks long and include a 1-week break; at GV Victoria, semesters are 12 weeks long. Both programs allow students the opportunity to greatly improve their English language ability through focused, long-term study.

POWER SPEAKING

(VICTORIA)

Power Speaking is an intense and challenging program that focuses on helping students increase their confidence and English public speaking abilities, as well as building, developing and using new vocabulary.

Each 4-week block focuses on one type of speech – Persuasive, Informative, and Demonstrative – and students will have opportunities to give presentations, as well as to participate in extended facilitated discussions. Error correction and regular feedback is provided.

ENGLISH PRO

(HAWAII)

The English Pro program is for students who wish to enhance their English language study with personalized instruction in specific topics of interest to them. It offers students a customizable, comprehensive package that consists of General English classes combined with tutorials in a specific focus area, such as aviation, business, public speaking, TOEFL, TOEIC, IELTS, etc.

The English Pro program can be taken with or without a student visa. Students enroll in the General English Program for 16 lessons per week and take weekly tutorials for either 2, 4, or 6 lessons per week, depending on how intensive they wish their study program to be and their visa type.

"The atmosphere at GV Hawaii is really nice and easy-going. We have a big meeting conference table so we can easily get along with each other and come up with good ideas. School activities are the best. Especially the island trips and snorkeling with the dolphins. I had a lot of opportunities to talk and be friends with other students during the activities!"

- Dahyun, Korea

"I recommend GV Hawaii a lot to my friends. They have nice views from the classrooms, a good location and facilities, and professional teachers and staff. GVH faculty and staff are like family and good friends. Hawaii is the best place to start a new life outside of Brazil! It's a similar culture to Brazil, and people are very friendly and open minded."

- Sabrina, Brazil

"I like the school because both the teachers and the classmates are very nice. The teacher teaches English with diverse methods, which makes learning fun and interesting. There are many places to go to, such as the beach and the zoo. The weather is pleasant, not as hot as back home."
