CLARE LANGUAGE CENTRE

Clare Language Centre is an ACELS approved English language school since 1994. We offer students an opportunity to learn English through various programmes including; junior summer programmes, off season school group programmes, adult courses and work placement programmes that give students real life work experience in their chosen field. Our school is situated in the heart of Ennis, county Clare, which is famous for being the home of the Cliffs of Moher, UNESCO world heritage sites and the best beaches in Ireland.

We are a family run business, with nearly 30 years of experience providing a very unique and personal service to each student. Our main objective is to provide a positive and memorable experience, not only in terms of education, but also the overall stay in Ireland. We value the individuality of every student, therefore we aim to match our students to the most suitable host families during their stay. The host families that we work with are experienced in hosting international students, many of whom we have worked with for over 10 years. Past students describe our families as "warm, understanding, patient and welcoming".

There is no better way to learn a foreign language than total immersion. The majority of our team at the Clare Language Centre are bilingual and trilingual, therefore we understand, appreciate and support all of our students in their language learning journey. We believe that language learning is a journey, and we are here to help and guide our students through it.

Adult courses:

Dates: Starting every Monday from 14th March 2022

ADULT HOST FAMILY ACCOMMODATION

We recommend host family accommodation as it gives students the chance to immerse themselves fully in the English language.

Our host families are carefully selected by the school and are vetted by Irish police. They welcome our students into their homes to share their meals and their daily lives. We ask our students to respect their hosts and enjoy the differences that exist between cultures.

We charge a host family placement fee of €60 for this booking service.

For couples and families, we charge €80 as the placement fee.

We charge this fee as we must pay for police vetting and we visit each and every family as well as hold yearly training days.

This fee helps us continue to give a high quality service.

Adult Social Programme

We understand that learning a language is more than just classroom learning. For this reason, we have developed the Adult Social Programme for all our adult students. This programme is free of charge and we encourage everyone to take part. The Clare Language Centre leader of the social programme will organise activities that suit the group. This may be a walk, a picnic or a Traditional Irish music session. This not only encourages everyone to speak English outside of the classroom, but also provides the opportunity of meeting people from all over the world. Make memories and learn English while immersing yourself in the Irish culture with other people from different countries!

Testimonials

I stayed in Ireland for three weeks and I really enjoyed the experience. I stayed with an Irish family so I was able to practice my English all day. Everyone is very friendly and helpful.

Tatiana, Russia, Adult Student

Small classes are a great way to get involved, speak and ask questions. The teachers are very helpful and patient.

Sergio, Spain, Adult Student

Great way to meet people and experience the culture.

Sabina, Austria, Adult Student

Small classes, positive atmosphere and great people. Ennis is a small typical Irish town, and everyone is friendly. No better place to practice your language.
