SUE & ANDREW – BROWNS HOMESTAY FAMILY

"We are a family of three, with myself, husband Andrew and our eightyear-old son. To us, homestay is not just an opportunity to share our home, but hosting students provides a unique opportunity to learn about their country and culture. We always enjoy students from BROWNS. We've hosted South American, Middle Eastern, Japanese, Chinese and European students. We truly treasure the homestay experience, the time spent together with different cultures and going on weekend trips to some of our favourite places like Toowoomba, Gold Coast and the Sunshine Coast. We have had the opportunity to develop friendships with not only our students but their families as well. We still keep in contact with most of our students and some of them have been back to visit us".

Sue from Brisbane.
