CHOOSE FROM A VARIETY OF ACTIVITIES, SPORTS AND EXCURSIONS

Camp activities done in multicultural groups instill the values of teamwork and individual responsibility while participants enjoy and create friendships. We also know that learning takes place both inside and outside the classroom, which is why our camps include excursions to immerse the campers in the Spanish way of life and let them experience Spain like a local.

HAVE FUN LEARNING SPANISH

"Kids don't play to learn, they learn because they play."
Jean Piaget

It has been proven that game-based learning enhances the student's internalization of knowledge dramatically and they get more involved in their learning. That's why our teaching methodology is gamification and competency based.

This gaming technique really motivates students to develop a greater engagement and boost self-improvement. Thus, they will level up as they collect points, get rewards for their scores and face different challenges in their missions.

LOVE FOR LEARNING

YOUR WEEK!

INITIAL EVALUATION

Our faculty team, which stands out for a long academic career, makes an initial personal evaluation on each student to place them at the course of the pertinent level to maximize their potential.

DEVELOPMENT OF THE CLASSES

Throughout the camper's stay, our faculty team selects and personalizes a wide variety of activities focused on stimulating effective communication in a second language, teamwork, problem solving, critical thinking, and creativity to help and encourage students to develop linguistic skills and achieve their learning goals.

LANGUAGE CLASSES

20 CLASSES PER WEEK

SPANISH OR ENGLISH CLASSES

Enforex has developed its own teaching methodology which has proved to be very successful. Our teaching approach is designed to build each student's confidence and fluency in speaking Spanish naturally and spontaneously.

This methodology is inspired by the competency-based learning with which they will develop linguistic skills in an immersion environment. The student will improve their strengths in areas such as critical thinking, creativity and teamwork. Moreover, we offer a fun and emotional environment that incentives learning regardless of the students' age.

EXCEPTIONAL TEACHERS

We know the difference a great teacher makes in language learning. All of our teachers hold specialist teaching qualifications and have an average of eight to ten years of teaching experience. Their enthusiasm, creativity and dedication to students' success is what makes Enforex teachers stand out.

GET YOUR LANGUAGE CERTIFICATE

Each student will receive a certificate corresponding to their progress during their course according to our comprehensive assessment process which is made of diagnostic, formative and summative evaluation.

INNOVATIVE AND PERSONALIZED TEACHING METHODOLOGY

Our proven teaching method is based on developing the competencies that the students need to achieve success in the future. The learning system is really significant since they will build knowledge and acquire new skills as they create real-life projects with a 100% active participation method.

We focus on comprehensive development encouraging leadership, teamwork, communication skills, and emotional intelligence so that the students become the center of their own learning experience.

Also, we organize and adapt our lessons according to their level and previous knowledge. This blend of knowledge, skills, and aptitudes are key as the student will need to develop them throughout their working and personal lives. The students will be learning the language as they enjoy every minute of it.

WE TEACH ALL LANGUAGE LEVELS

On arrival, each camper takes a placement exam which determines their current language proficiency level. At Enforex we teach students at every proficiency level.

TRACKING

Throughout the weekly sessions our teachers will assess each student's progress so to adapt to their individual and group needs and thus customize the teaching.

FINAL EVALUATION

We involve the students in their own progress since their arrival until the end of their program. When their stay comes to an end, they get the results of their whole progress evaluation, taking into account not only their linguistic skills, but also their personal evolution and the achievement of the set goals.

OUR CERTIFIED CAMP LEADERS

Enforex is lucky to have well-prepared counselors trained in-house for a real camp experience. Each of them has an official certificate, enabling them to work with children of all ages.

Many counselors are former campers who, after living the Enforex experience, decided to continue enjoying unique summertime moments from the other side of the camp.

To achieve so, they have been trained on the ground, giving them the chance to reach their full potential as professionals.

Every member of our team shares the camp's philosophy and the dedication necessary to provide the highest quality service.
