BENEFITS OF BUSINESS ENGLISH AT ELC

PRE-COURSE NEEDS ASSESSMENT

An extensive pre-course needs assessment is sent with each course confirmation to ensure that we are meeting each student's specific Business English needs and goals.

PERSONAL ATTENTION

The Director and the Director of Courses meet with each Business English student upon arrival and then frequently during their program to make sure that all aspects of their program are meeting expectations.

CONTEMPORARY, COMPREHENSIVE CURRICULUM

ELC's Business English curriculum was updated in 2013 to provide students with the most up-to-date textbooks, materials, and information for the ever-evolving global workplace.

SMALL CLASS SIZE

The 5-student maximum class size allows instructors to focus on each individual student and provide personalized instruction and feedback.

QUALIFIED INSTRUCTORS

ELC's Business English Instructors are trained ESL Instructors with comprehensive business experience and advanced Business degrees.

PRESENTATION PRACTICE

Students will hone their presentation skills by presenting a topic to the class and the administrative staff at the end of the course. Teachers and administrators provide valuable feedback to each student.

INDIVIDUAL EXECUTIVE COURSES

ELC is pleased to offer customized instruction for business professionals looking to achieve industry or discipline specific goals.

INDIVIDUAL AND SPECIALIZED INSTRUCTION IS AVAILABLE AT ELC LOS ANGELES, BOSTON AND SANTA BARBARA

INDIVIDUAL COURSES

Individual courses are designed to suit specific needs in terms of course length and content as well as offer a great deal of personal attention. In the Individual Executive course, students can request a special emphasis on a particular language skill or area of expertise. If students have special learning requirements (English for Specific Purposes), ELC will develop a custom program to suit their needs and goals which will enhance their professional success.

Sergio Cortes,
Brazil

//

ELC has an exceptional methodology and excellent teachers for businesspeople. We focused on learning new vocabulary, reading magazines, articles, newspapers, listening to audio blogs and podcasts and watching videos. All of these related to business. As a result my English improved rapidly. //

ENGLISH FOR SPECIFIC PURPOSES (ESP)

Clients who prefer one-on-one individual instruction can choose to focus on English for a Specific Purpose with their instructor.

Areas of expertise include:

- Administration
- Aviation
- Hospitality & Tourism
- Journalism
- Law
- Medicine
- Science

Our students will gain industry specific knowledge relevant to their careers as a professional. We offer our students:

- Pre-course assessments, which allow ELC to develop the most effective lessons for each individual
- Lessons tailored to our students' individual professional needs
- Training for a wide variety of industries and disciplines

- Lessons for individuals or groups
- Industry and discipline-focused professional development for employee groups
- Quality-conscious, highly efficient, and extremely flexible lessons
- Post-course follow-up and continued online training (via skype) upon request

English for Specific Purposes is also available to closed groups.

COURSES ON-SITE AND AT ELC FOR LOCAL BUSINESSES

ELC can assist in enhancing your organization's success through providing your employees with comprehensive, dynamic, customized English instruction and professional development programs.
