THE ACADEMY IN SHORT

The **Solemar Academy** Language school was founded in 1986. Since then, we hosted thousands of students from all over the world. We are a CELI and DILS-PG examination center, accredited by the Universities of Siena, Perugia and Palermo, and acknowledged building for the German Bildungsurlaub. Since July 2018, Solemar Academy become a member of the prestigious **ASILS** organization (Association of Italian Language Schools).

WHERE WE ARE

The school is located in **Cefalù**, Sicily. The town is distinguished by its renowned tourist hospitality, **beautiful beach** and vibrant summers, but Cefalù is much more. It is a **cultural and artistic centre** nestled in a unique landscape. Art and music festivals animate the town all year round. The sea, the “Rocca”, the Madonie nature reserve, the Aeolian Islands - which are less than two hours away by boat - the splendid Arabic and Norman style Cathedral, and many other things make Cefalù the **ideal place** to stay for a language holiday.

THE SCHOOL

Our school is a short walk from the beautiful beach of Cefalù. The school premises include: 5 classrooms, a common area with reception and coffee machine, an external area with plants and space to relax, a small kitchen, storage and bathrooms. All the rooms have air conditioners and Wi-Fi. We also have a library with books and DVDs available free of charge.

TEACHERS AND METHODS

All teachers have a great experience and have all gained a Certificate in teaching Italian as a Foreign Language (Dils-PG or CEDILS). The method we use focuses on communication. Every week, each teacher builds a syllabus using texts adapted to the level of the students. These could include literary works, news articles, songs or extracts from textbooks. The classes are designed to fit the levels of the CEFR.

FIRST DAY OF SCHOOL

On Monday mornings, all new students are required to show up at 8.30am to complete their registration. Upon arrival, they are welcomed with a small breakfast (Italian coffee, fruits and cookies). Immediately after registration, the new students have a short conversation with the teachers to allow them to complete the division of classes. The first day, the lessons start at 9,30am. From Tuesday to Friday, the starting time is 9,00am. Individual classes may take place later in the morning or in the early afternoon.
