INTERNATIONAL HOUSE TORQUAY

Torquay, in the heart of the South West of England, is England's hidden gem for international language learners.

Torquay is in Devon, in the South-West of the UK. A year-round destination for visitors and tourists from the UK and abroad, there is always lots to do, from history and culture to golf and surfing.

- Our students enjoy the highest standards of our homestay hosts and accommodation
- We are the only school in the South West of England that has EAQUALS accreditation; the toughest accreditation for any language school to achieve
- We have specialised courses for all ages, including for over-30s and over-50s
- You will find a professional approach, with small class sizes and study groups
- Progress will be rapid and you will achieve the goals that are important to you
- There is impeccable attention to detail for every aspect of your learning journey, from arrival to beyond departure
- We are building on our reputation for quality and service, student-by-student

The school is part of the prestigious International House global network. Additionally, we are independently owned and managed, so we offer the strength of a multi-national group, together with the service and care of an independent operation.

"I love the challenge of every newly-arrived student. I try to put myself in that person's place and ask myself what I would want and need to make this the experience of a lifetime. Without doubt, I believe I have the best team in the UK. My school stands as a beacon of independence, quality before profit, and people first."

OUR SCHOOL

There aren't many places in Britain that you will find palm trees, but you will find them in Torquay, along with award-winning beaches, friendly faces and many cultural, historical and natural attractions.

It's the perfect setting to focus on your goals and see fast, tangible results in your learning, while soaking up British culture. Our experience is that people learn better when they are happy and relaxed.

We run the school with heart and soul. Students return to us time after time and recommend us to their family, friends and colleagues. We are now welcoming students from the third generation of some families.

We have a great mix of students, with over 30 different nationalities visiting us from all over the world. The school is a professional setting but one where everyone knows your name.

The school is located just a few minutes' walk from Torquay town centre and harbour.
