Choose **BSC**

At BSC Education, you will benefit from a learning experience that will set you on the path to a bright future. We inspire and support you to accomplish more. Wherever you want to go, we can help you get there.

Great Things Start Here...

Prepare for career success

Speaking English is essential to succeed on the international stage. However the modern workplace demands more than that if you really want to shine. That's why we've developed our Skills for Career Success and ESP courses to give you qualities that will increase your employability and take your career to the next level.

Experience educational excellence

Getting into the right university and securing a good qualification is a key stage in your path to success. When you choose BSC, you can rest assured that you are studying with a highly-rated college with an emphasis on exceptional quality teaching. With our Skills for Academic Success course, we can also prepare you to excel in your education.

Live life to the full

We believe that education is about more than just a classroom: it's about the opportunity to have incredible experiences in some of the world's most iconic destinations. So, when you study at BSC, we have Student Experience teams in every college to help you get the most out of your time with us.

Become a truly global citizen

Forming long-lasting international links is increasingly important, and at BSC you'll have the chance to meet people from all over the world. We see ourselves as a global, connected community and our extensive network of successful alumni is testament to that approach. Our conversation classes are themed around the UN's Sustainable Development Goals, encouraging all of us to engage in global issues and recognise our role in being active global citizens.

Feel supported

Student welfare is of paramount importance to us. We have a welfare-focussed team in each college (trained in safeguarding and mental health first aid) to assist students with any problems they may experience while away from home. Whatever you need, be this practical support such as opening a UK bank account or finding a doctor, through to more pastoral care such as settling into a new home, our teams are here to look after you.

Be future-ready

From the latest classroom technology to the creation of digital portfolios, BSC Education is committed to developing your digital literacy, equipping you with the skills you need for your education, career and beyond.

To be able to fully participate in this, we ask that you bring your laptop or tablet with you.

Our courses

We offer a broad range of courses that have been carefully designed to cater for all needs and objectives.

Over the next few pages you can find more information about our English Language Training, Exam Preparation and Specialist Courses to help you make the right choice.

WEEKLY SCHEDULE

Morning Class (Monday-Friday)

SESSION 1

On Monday to Friday mornings, classes cover all essential English language skills and systems such as grammar, vocabulary, reading and speaking. In addition, we train our students in the key skills required by universities and employers such as creativity, critical thinking and collaboration. Projects with digital outcomes such as podcasts and infographics are showcased on a digital portfolio, allowing you to present not only information, but also yourself to maximum effect. This gives you a competitive edge and prepares you for success in your studies and career.

Lunchtime Class (Monday-Friday)

SESSION 2

Each week's theme is linked to one or more of the UN's Sustainable Development Goals to encourage debate, discussion and global citizenship. Our lunchtime lessons provide an opportunity for fluency practice with lots of communicative activities and immersive lessons outside of the classroom.

Afternoon Classes (Monday to Thursday)

SESSION 3

Those studying our intensive and semi-intensive programmes will benefit from a variety of options in the afternoon depending on their goals and preferences. Our electives include*:

Language Workshop – covering areas such as vocabulary, grammar, writing, pronunciation and more, according to the needs of the class.

Immerse and Explore – Research and prepare for an immersive lesson to a local area of interest and get to know your college city from a different perspective. Boost your confidence in a fun and interesting way, engaging with native speakers in authentic situations, and applying your newly acquired language skills in life outside the classroom.

English Skills for AI** – with support from your teacher and classmates, you will use AI tools to produce engaging, and authentic materials while completing a range of real world work and study tasks. This will not only improve your English language skills, but develop your AI skills, equipping you to succeed in the modern world.

Foundation Skills for IELTS – those who are not at the level to join our morning IELTS preparation course are able to develop skills and strategies to achieve exam success alongside their English Language Training.

* Afternoon electives vary across BSC locations, please contact us for more information

** English Skills for AI only available in Brighton, York and Manchester

We're here to help you achieve great things

What our students say...

"I've been here for 6 weeks and it was one of the best experiences I ever had. The teachers are cheerful, nice to you and everybody is lovely. You can make friends pretty easily. Brighton as a city is very nice, people are always smiling and everybody is respectful. BSC is a very good college. You can learn a lot here, different cultures, different type of people and English. I'd definitely come here again in the future."

Alp, Turkey

"After a few weeks of studying at BSC, my English is much better. I have more vocabulary and feel more confident speaking now. It's so important for me because I travel for work and need to use English in my daily life. Everyone who has a chance to have this experience should come and study at BSC."

Helton, Brazil

"The BSC Manchester team gave me a lot of tips and the best teachers to prepare for my IELTS exam. I need a high score to get into the university here and now I feel ready. The college offers a lot of activities for the students so you can make friends and get to know new places. Everyone is so friendly here at BSC so don't hesitate if you want to study here!"

Nicole, Peru

"I like spending time with people from all over the world. The BSC teachers have helped me a lot to improve my English skills which will help me with my future studies and job. I had great fun here too!"

Panita, Thailand

“Brighton is very beautiful and it is cooler than London and it is quiet and has halal restaurants for Muslims and it is safe. This college is very good. I have made great friends and the teachers are also very nice.”

Hajaj, Kuwait

Studying at BSC has been an incredible experience and I couldn't have asked for a better place to study English. The vibrant atmosphere, diverse culture, and friendly people made my learning journey unforgettable. BSC is not just a place to study – it's a place to thrive and grow!

Abdullah Almejbel, Kuwait

“I have been here for just two weeks and I improved a lot in my spoken English. Everyone here is very friendly so I wasn't shy in the classes and I wasn't scared of other people's opinions. The teachers also helped me a lot so I think BSC Education is a great college to learn English.”

Jáchym, Czech Republic

“I had the best time here at BSC. I had the great opportunity to take English lessons with very good teachers and to meet amazing people from different countries. The college took us to lots of great places, art exhibitions, crazy golf and the Pier. We had a great time. I want to say a big thank you because I feel that my English has improved a lot and I had the chance to live this unique experience in England in a really fun city.”

Sofia, Italy

Great Things Start Here...

Progress and Attainment

No matter what your level of English is now, BSC Education has a course that will allow you to improve at a pace that is right for you. We use our expertise and experience in language education **to set you on the path to success.**

How do we do this?

1. Getting to know you and assessing your current knowledge and skills

- Before you arrive, complete a Language Knowledge Check via our online platform myBSC.
- First day language skills checks (speaking and writing) and goal setting with our friendly academic team.
- There is no pass or fail! The more we know about you, the more we can help you succeed.
- We understand and always take first day nerves into consideration.
- Curriculum based on the Common European Framework of Reference for Languages (CEFR). Providing a clear structure for assessment and self-evaluation.

2. Place you in the best class for your needs

- We take everything we've learnt about you (knowledge, skills, goals, preferences) and put you in the class that will best suit your needs.
- Excellent language knowledge, but very nervous about speaking in English? We can place you in a class to build your confidence before you join a higher level.
- Need to take IELTS, but can't remember vocabulary and unsure about spelling and grammar? We can place you in English Language Training before transferring you to IELTS preparation when you feel ready.
- If you are unsure about the class you are placed in, you can always come and talk to us.

3. Assessing your progress

- Class tests, projects and presentations will help you and your teacher continuously assess your knowledge and skills.
- myBSC online platform has hundreds of hours of activities, level tests and practice exam material for you to become a better independent learner outside of class and better able to assess your own abilities.

4. Ongoing communication with you about your progress

- An initial goal-setting tutorial when you arrive.
- A one to one tutorial every 4 weeks with your teacher where you will discuss:
 - how you are feeling about your lessons, level and progress
 - your goals and if they have changed
 - what you are doing outside of class to improve your English.

5. Train you in how to be better lifelong learners

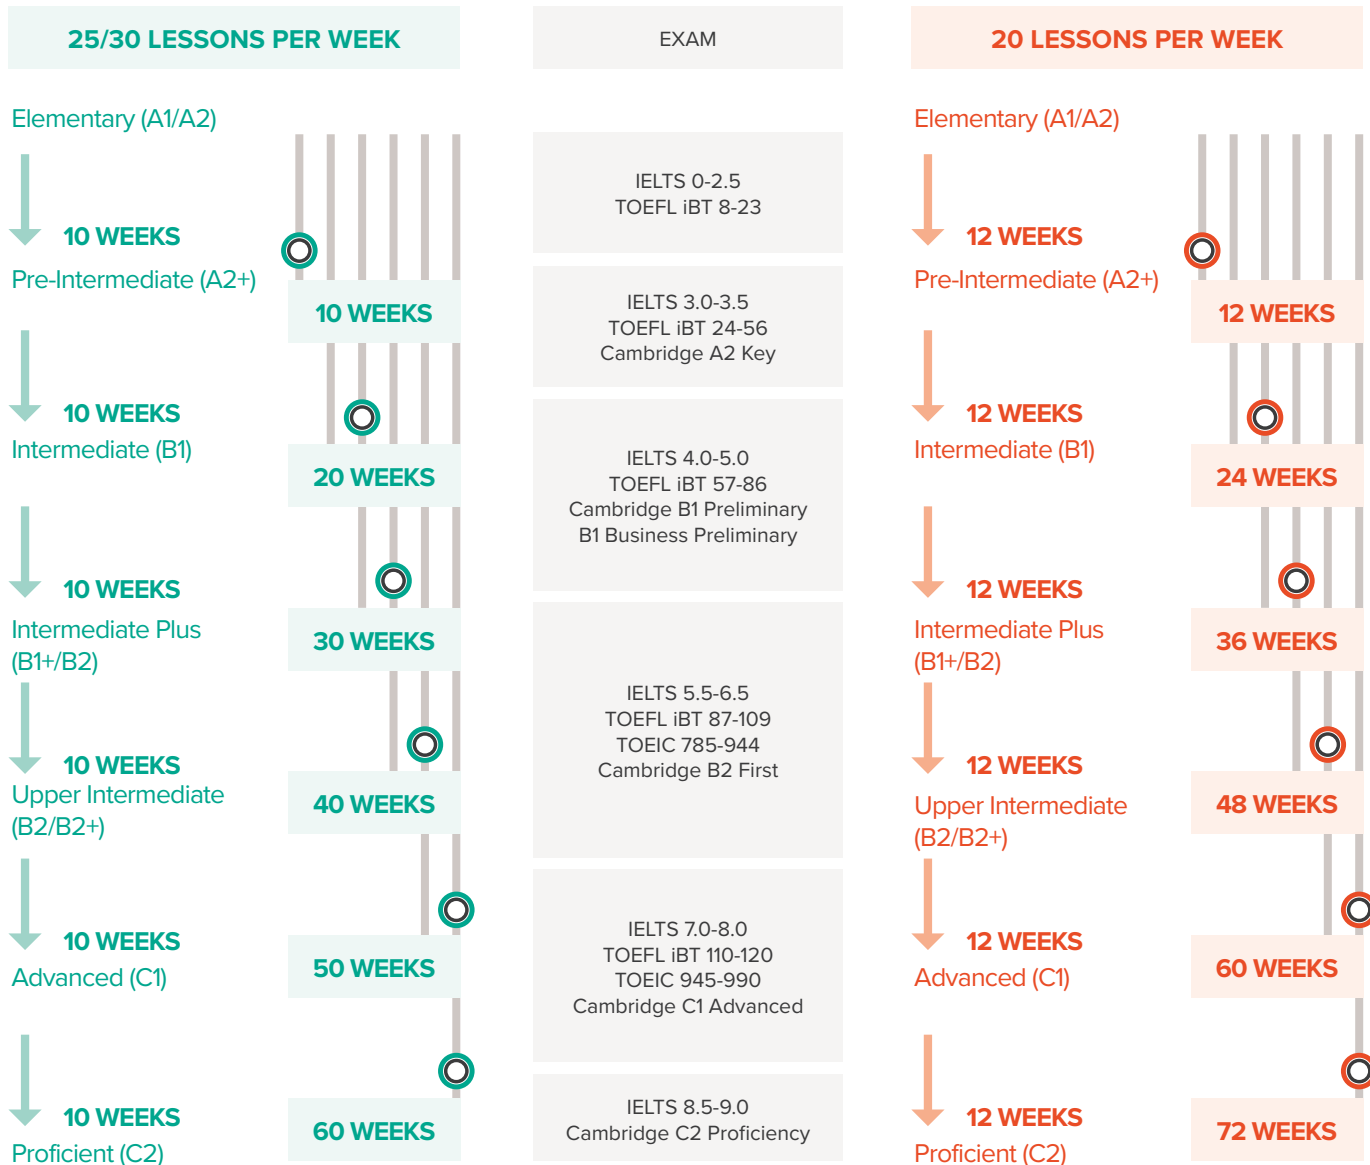

- Teachers will train you in different strategies that you can use to learn more effectively outside of the classroom.
- Develop more than just English – class projects and tasks will equip you with the skills for the modern, ever changing digital workplace.
- Get advice on external English Language Exams.
- Receive support university and job applications.
- Book onto one of our Professional Development courses.

Progress Guarantee

Our Progress Guarantee demonstrates our confidence in what it takes to improve your English, but language learning is not linear, and everyone learns at their own pace. We will only move you up to the next level when you are truly ready. Our academic team is dedicated to helping you reach your goals, and will work in collaboration with you to make sure you're on the right course and in the right class.

Progression timelines

Academic & Industry Partnerships

An increasing aspect of our work has involved **creating partnerships with higher education establishments and global businesses**, providing pre- and in-session English courses for international students and bespoke learning and development programmes for employees.

We have proven experience in delivering EAP (English for Academic Purposes) and ESP (English for Specific Purposes) programmes through successful partnerships with institutions such as:

- Kings College London (KCL)
- Volvo Thailand
- Bucks New University
- EM Normandie

We can adapt our programmes to suit different needs and fields and are flexible to the needs of our clients. Whether you choose one of our standard courses or a bespoke programme and whether you join us in person or online, you can be assured of high quality academic content and a positive learning and development experience.

- As an experienced provider of University Pathway Programmes, BSC understands the pressures and demands on university students studying in a language other than their own and uses this expertise to support the creation and delivery of each course.
- With a long history of teaching English for Specific Purposes we can create a course perfectly suited to your company's needs, whether this be Business English, English Skills for AI or more specific to your field such as hospitality, law or finance.
- All courses at BSC include the hallmarks of future-ready education – adaptability, flexibility, creativity, all with a collaborative approach and a trusted partner by your side.
- Partnering with a range of exam bodies, including Pearson and DMI - all global leaders in the assessment and certification of professional skills - we can offer a range of exams that provide a trusted qualification to take into the future.

Programmes **for groups**

FAQs

Here are some of the most common questions. For anything else please get in touch.

When can I start the course?

The majority of our courses start every Monday throughout the year.

How long can I study for?

The minimum is 1 week but you can study for as long as you want – up to 1 year if you wish!

Can I do course work on my mobile phone?

No, you need to bring a laptop or tablet for certain activities which are not mobile phone compatible/adaptive.

What is the minimum age?

16 years old. Please note that there is an additional student support supplement (£15 per week) for all 16-17 year olds.

How do I book my course?

You can easily book and pay for your course online.

Do I need to pay a deposit?

Yes. We ask for a deposit of 20% to secure the course and accommodation if you require it. Full payment must be received in full 28 days prior to the course start date. Bookings made within 14 days of arrival must be paid in full at the time of booking.

Do I need a visa to study at your college?

Your course length, type and place of study affect which visa to apply for. Please consult the relevant Government website or check with a British Consulate or embassy in your country of residence.

How many students are there in each class?

We have a maximum of 14 students per class.

Where do the other students come from?

From all over the world! We have students from Europe, South America, Asia and Africa. Depending on the time of year, we have up to 35 different nationalities in our colleges at any one time!

Tell me about your teachers

We select our teachers very carefully. They are all professionally qualified and experienced in teaching English as a foreign language and all have many more skills that they bring with them to the classroom. Our teachers bring energy and enthusiasm to their lessons, making your language learning journey stimulating and enjoyable.

Are all course materials included?

Course materials for English Language Training classes are available for use while studying at BSC, at no extra charge. Discounts are available for any books

purchased through BSC or partner portals. All students will have access to myBSC during their stay and for 3 months post-departure.

Do I need a laptop or tablet?

To optimise your study journey, we strongly recommend bringing your laptop or tablet for use in class and at home.

Will I receive an end of course certificate?

At the end of your course, you will receive a certificate as part of your graduation ceremony. This certificate will state the type and duration of your course, your attendance percentage as well as the level at which you studied.

Is there internet access available?

All BSC colleges and accommodation include Wi-Fi internet access.

What should I do if I need to talk to someone about any aspect of my stay?

If you need to talk to us about your course, accommodation or any other aspect of your stay, please let us know as soon as possible. You will find detailed information about the complaints procedure and who to contact on our website.

Insurance. Before you arrive in the UK, we strongly recommend that you take out insurance for your own financial and personal security. You can take out your own insurance or take out the international student policy we offer which has been specifically designed for overseas students studying in the UK.

Adults and Young Learners: £16 per week. Manchester City Football School: £39 per week.

Organising this is extremely easy and can be done at the same time as booking your course.
