See « Dates & fees » pricelist

**ACCOMMODATION** optional

## OBJECTIVES

- Improving oral and written comprehension, oral and written expression in various real-life situations (social interaction, speaking in front of an audience, debating, letters and reports, etc.)
- Encouraging linguistic autonomy for more advanced students who must perform communicative tasks in a professional or academic context
- Reinforcing basic linguistic structures: grammar, vocabulary, spelling, punctuation, etc.
- Developing fluency and building confidence when speaking.

## PROGRAMME

Our programs, based on the CEFR scale, are created to enable learners to achieve their objectives quickly.

Our courses are based upon proven teaching methodologies and textbooks for foreign adult learners, authentic documents and activities :

- in language laboratory
- in computer laboratory
- in television studio to re-enact real-life situations

Optional : 1-hour extra individual lessons are possible after class

At the end of the course, the CAREL will give a skills assessment sheet and course certificate.

### Example of organisation

	Monday	Tuesday	Wednesday	Thursday	Friday
09 : 00 to 12 : 00	Work on grammar, conjugation and vocabulary in an communicative approach				Oral comprehension*

# DEL F PREPARATION DAL F PREPARATION

Combined course at the CAREL

## OBJECTIVES

- Reviewing exam methodology which test the 4 skills necessary to communicate in French : listening, speaking, reading, writing.
- Developing strategies to succeed in the different tests
- Improving students' overall linguistic level
- Enriching student's vocabulary and socio-cultural knowledge

## PROGRAMME

The programmes offered are taken from the level descriptors of the CEFR and the criteria required by France Education International (FEI) based on previous tests.

- Improve general linguistic skills (general intensive French course)
- Help the student feel comfortable with the exam format (different parts, timing, rating)
- Practice exercises and mock exams which are corrected and analysed.

Study material and equipment :

- Authentic documents, recordings, DELF / DALF topics
- Language laboratory (oral comprehension)
- TV studio (gain confidence and learn how to speak while under pressure)
- Multimedia workshop (training on authentic audio recordings).

At the end of course, CAREL will give a skills assessment sheet and course certificate.

## OPTIONAL

DELF or DALF exam.

## OBJECTIVES

- Improving oral and written comprehension and expression
- Encouraging autonomy to communicate in real-life and/or professional contexts
- Reinforcing the basic linguistic structures : grammar, vocabulary, spelling, etc.
- Meeting specific professional or personal objectives and needs

## PROGRAMME

The programme is created on the student's level and his/her objectives and is carefully prepared

Examples : reinforcing written expression (letter, e-mail), preparing a test (TCF), practising for a job interview...

## ORGANISATION

According to your availability and objectives, we determine the schedule of your course : number of hours, intensive or extensive course, morning and/or afternoon lessons.

With the same organisation, we also offer 2-student and 3-student course for students enrolling together and with the same level.

At the end of the course, the CAREL will give a skills assessment sheet and a course certificate.

If you work in France, this course is eligible to the CPF funding system.

Our courses are referenced on Mon Compte Formation and deliver a certification recognized and approved by France Compétences.

# ONE-TO-ONE FRENCH DISTANCE COURSE

Distance learning course

## OBJECTIVES

- Developing speaking fluency
- Developing and improving oral comprehension
- French within professional and/or social contexts
- Strengthening knowledge of the French language

## PROGRAMMES

The programme is based entirely on the student's objectives. Activities are chosen according to the level of the student.

## ORGANISATION

The estimated duration of this course is 10 hours spread over 10 sessions. Each session includes:

- Sending of pedagogical materials to prepare the lesson (estimated duration of this tutored work: 30 minutes)
- 30-minute interview with the teacher
- Written session report by the teacher including comments, advice, and study materials to reinforce the lesson or point which have not been entirely assimilated

Subjects are chosen at the beginning of the course or after each lesson in compliance with the student's needs and objectives.

The teacher sends personalised advice throughout the course and is always available to answer any question related to the course.

We also offer complementary sessions to meet special requests. Please contact us.

At the end of the course, the CAREL will give a skills assessment sheet, an attendance record and a course certificate.
