The hotels in Mohandeseen are the nearest to our institute. The Dokki area is the closest to down town, but also in reasonable distance to ILI. Zamalek is the most famous area, located on an island in the Nile, also in easy reach.

All hotel rooms have bathrooms en suite, TV and air conditioning.

### **Apartments.**

We advise our students to let us book them in one of the above hotels on their first couple of nights. On their arrival in ILI we can help them find or share flats with other ILI students. A search and agency charge of 35 € (Euro) is charged, payable to ILI.

Average prices (January 2011):

A 2 bedroom apartment is 400 -500 € (Euro) per month  
A 3 bedroom apartment is 500 -600 € (Euro) per month

In the high season of June, July and August the rents are usually higher than during the year. You have to be prepared to add another 75 to 100 € (Euro).

These apartments do not belong to ILI. The students will sign a contract with the landlord directly. Usually such contracts include a deposit payment of one month's rent that the owner of the apartment will keep in case of any damage until the last day of their stay.

Please note that these prices exclude utility bills (concierge, water, electricity, telephone).

The apartments shown to the students are fully furnished, including TV, telephone, fridge, stove, washing machine, air conditioning, kitchen equipment and linen, and may have satellite TV and internet. Local mobiles (pay-as-you-go) and internet dongles are available and cheap. Some apartments are within walking distance, others about 5 to 10 minutes by taxi. (All students use taxis for getting around and they are very cheap).

### **ILI – RESIDENCE**

We have two residences: 9 study bedrooms over the ILI building and 25 study bedrooms in Dokki, 15 minutes away. The residences are arranged in apartment units of 3, 4 and 5 bedrooms. We provide a shuttle bus service to and from Dokki.

### **Rooms**

In both residences students will have an individual study bedroom with bed, wardrobe, safe, desk & chair, armchair and side tables. The ILI residence also has two studio rooms with a mini-fridge and TV, more space and an extra storage room.

The apartments are set up in units of 3, 4 or 5 bedrooms. Typically there is a fully equipped kitchen, one two or two and a half bathrooms, store, living room, dining room/dining bar, laundry, smoke alarms, and fire systems. There is an internal/external phone, satellite TV and WIFI. Apartments are fully serviced including towels and linen.

Both residences are maintained and checked by our engineering department. Rooms will be cleaned twice weekly. Bed sheets and towels are changed once a week.

### **Price**

The ILI Residence fees are: €400 (Euro) per single room per month, and €500 (Euro) per double room/ studio per week.

The Dokki Residence fees are: €480 (Euro) per single room per month, which includes the shuttle bus.

A stay at the Residences can only be confirmed for the full course duration. Students will be charged €100 (Euro) per stay as a deposit – refundable.

### **Smoking**

Is not allowed in the public areas of the residences out of respect to non-smoking residents; however, all apartments have balconies which can be used.

### **Security & Assistance**

There is 24 hour security (2 guards) and the buildings have security cameras. The ILI has its own security team, located in the entrance of the building. For any assistance or special requests students are asked to contact our reception team at ILI.

### **Check in & Check out**

Students check in at the main ILI reception on registration day (Sunday – the first day of the course). The student's passport needs to be available. The residence fees can be [paid in advance or paid when checking in. Sometimes it is possible for students to check-in a day early (Saturday); if so, no extra charge is incurred. Please inquire.
