

Super Intensive Program

Who are we?

EPA! Español en Panama is a Panamanian School who was founded in November 2007. Our focus is teaching Spanish as a second language to anyone who needs to learn or improve the language. We are certified by Instituto Cervantes from Spain.

We also are a DELE testing Center as well a CCSE.

Our methodology

In EPA! We use the Communicative approach to teach Spanish and our teachers are highly trained and prepare to teach you in a well develop and organize structure. We use top-notch materials and we follow the European Common Frame Level structure.

Our program

Super Intensive Program

This course is aim at students that want to take most profit of their time to study the language combining 20 group lessons per week and 10 private lessons of one to one per week.

Every Thursday afternoon you have included a social or cultural activity to different location within the city.

The Super- Intensive Spanish Course in Panama integrates the four skills of reading, writing, speaking and listening with grammatical structures, vocabulary development, and very interesting aspects of Spanish culture and way of life.

Each day, the Spanish classes in Panama take you one-step closer to achieving your goal: to communicate more effectively in Spanish. The ten additional full immersion Spanish lessons each week enable the student to focus on specific needs and practice more what they studied in the group lessons.
