

Avanti Language Institute, Ireland English + Horse Riding Programme

Kildare, world famous for horses, is known as the Thoroughbred County. Surrounded by such an environment, you may regret it if you go back to your country without spending time with these wonderful creatures.

Our English + Horse Riding Programme is a very popular choice among our students, especially during the summer season but it is available throughout the year.

We work with a fantastic Equestrian Centre - it is located about a 20-minute drive from Avanti and the instructors and staff are all very friendly, welcoming and highly professional. They can cater for any riding needs you may have from Beginner to Advanced and our students' satisfaction rate proves it.

We are delighted to offer you this once in a lifetime experience.
