

## Avanti Language Institute, Ireland Junior Programme

Avanti's exciting Junior Summer Programme operates from mid June to end of August, offering 1, 2, 3 or 4 week course options with Host Family accommodation for students aged between 12 and 17 years. The course includes English Language lessons combined with a variety of sports, leisure and cultural activities.

A typical day starts with morning General English lessons with our native, experienced and qualified teachers, followed by an activity in the afternoon. Some evenings we have fun activities like Irish Music & Dancing.

Naas, where our school is based, is an ideal location for English Language Students, particularly for Juniors - a lively but safe town, it has a great range of activities to enjoy and we are so close to Dublin and Dublin Airport.

### 1. Aim

To help young students' overall learning experience by combining their English studies with variety of activities including sports, leisure and cultural activities. Students can spend time with local Irish juniors as well as mixing with juniors of different nationalities at the school.
