# Your First Day

You will have warm, happy memories of Avanti for many years to come!

---

On arrival at *Avanti Language Institute*, every student is welcomed by our Director of Studies and members of our staff. All students are given our original *Grammar* and *Speaking Placement Test* to accurately determine their current level of English. Following this test, students attend an induction where they are given information about their host families, opening a bank account etc. Students are then given a welcome pack.

After the induction we give you the result of your placement test and you are then placed in a class at an appropriate level. Importantly, during your first week, the Director of Studies will meet with you individually to review your level and answer any questions you may have. Every student is monitored closely and tested regularly by our teachers to ensure they are always at the correct learning level.

Our team is there to help you throughout your time with us and to guarantee your whole language learning experience in Ireland is one you will have warm and happy memories of *Avanti* for many years to come.

# Ireland

## Experience Ireland for Yourself!

Ireland is an independent republic with a population of about 5 million people. Though a vibrant country making rapid progress and having one of the youngest populations in Europe, Ireland retains a strong sense of its history and rich cultural roots. Sometimes referred to as the “*Island of Saints & Scholars*”, Ireland has a long and prestigious tradition in education; a tradition going back 1500 years or more to a time when Irish monasteries were regarded, throughout Europe, as among the most important international centres of learning.

Ireland has provided the world with many of the greatest names in English literature – James Joyce, W.B. Yeats, George Bernard Shaw, Oscar Wilde, Jonathan Swift, Samuel Beckett and Seamus Heaney to mention just some. It has often been claimed that the best English is written and spoken in Ireland.

Ireland’s weather is temperate, never too hot or cold. Stunning scenery is always nearby – sometimes beautiful, green and romantic; sometimes rugged, wild and magnificent.

All these factors, together with the famous warmth, friendliness and hospitality of the Irish people, ensure that Ireland offers students a unique and magical atmosphere in which to learn English.

# Naas, Co. Kildare

Learning English in  
Ireland is an unforgettable  
experience!

Avanti Language Institute is superbly situated in Naas, Co. Kildare; a location that represents the “best of both worlds” – rural and urban. Co. Kildare is well known as one of the world’s leading thoroughbred horsebreeding centres. Here you can visit the Irish National Stud & Japanese Gardens, watch horse racing at 3 top class racecourses or experience the fun of riding horses for yourself at the county’s many riding centres. Co. Kildare boasts more than twenty golf courses including the world famous *K Club* at Straffan, which has twice hosted *The Ryder Cup*.

There is so much to see and do in Co. Kildare. You can have a great night out at the Greyhound Racing Stadium or enjoy shopping at Kildare Village, one of Europe’s top shopping experiences with more than 50 luxury outlet boutiques.

The numerous canals and waterways in Kildare mean that it is an ideal location for canoeing, kayaking, fishing or just walking along by the water.

Naas is the main town in Co. Kildare. Surrounded by the lovely natural scenery of Co. Kildare, Naas is a lively, cosmopolitan town of just over 20,000 people. It is only 30 minutes by car, train or bus from Dublin’s City Centre and Dublin Airport; the buses to and from both stop right outside our school.

Naas has many restaurants, cafes, music venues and of course pubs; it has museums, cinemas and a popular modern theatre. The atmosphere of the town is friendly, welcoming and alive.

Avanti Language Institute provides a wide range of courses that have been carefully designed to meet the general and particular needs of our students. We are experts in helping students become effective communicators in English.
