

ACCOMMODATION

For students attending an Intensive Course, we can arrange accommodation on request. All accommodation has been carefully selected and is regularly monitored by our staff. It is all centrally located and the school can easily be reached in approx. 30 minutes by public transport.

You can choose from one of the following possibilities:

Host family: single or double room, self catering or with breakfast or with half board (breakfast and dinner)

Shared flat: single or double room, self catering.

Host Family

Students live with local residents. Your host family can be a “traditional” one, a single parent, an elderly person or a single. In selecting host families, our priority is that the host appreciates receiving foreign students and enjoys their company. Host families can host from 1 to 4 students: the kitchen and bathroom are shared.

Shared Flat

Students share the flat with other students from the school. Our shared flats can host from 2 to 6 students: the kitchen and bathroom are shared.

Categories

Host Families and Shared Flats are classified in two categories: Standard and Standard Plus. Regardless of the category, all accommodation is selected on the basis of quality, in terms of the general conditions of the flat, proximity to the school, environment and position in the city and the furniture and fittings of the flat itself.

Bed & Breakfast, Hotel accommodation and Independent flats can also be arranged.
