A group of four young adults (three men and one woman) are walking along a rocky, grassy cliff edge. They are all smiling and looking towards the camera. The background features a vast blue ocean under a clear sky, with a distant island visible on the horizon. The lighting suggests a bright, sunny day.

GCI'S NATIONALITY MIX

Ireland offers a completely unique and unforgettable living and learning experience

The warmth of the Irish welcome is legendary and it extends into the pubs, clubs and restaurants where you will find chat and 'craic'. Culturally, Ireland offers a rich and respected history in literature, music and the arts. Think Seamus Heaney, James Joyce, Oscar Wilde, W.B. Yeats, U2, Kodaline...

For an island with a population of just 4.5 million, the Irish culture and way of life has travelled far and wide. You can read Beckett in Paris, watch 'Riverdance' in Beijing, even drink Guinness anywhere in the world.

This vibrant cultural tradition means that you will always have something fun and exciting to do during your stay and will ensure lots of opportunities for language practice.

The Irish accent has been voted the most desirable in the world above French, English, Spanish, American and Italian.

WHY GALWAY?

Founded in 1989, Galway Cultural Institute is located in Salthill in a contemporary and modern building. The location is stunning overlooking the Atlantic Ocean and just ten minutes' walk from the city centre. Our spacious campus provides students with high quality technologically advanced teaching and learning facilities.

Galway is an attractive study destination because of its top quality educational institutions, its location on the Wild Atlantic Way on the west coast of Ireland, its warm welcome and its hospitality.

Its cultural heart, eco-friendly environment, enthusiasm for sports, as well as many festivals and events, attracts students, tourists and investment from all over the world.

Galway will be the European Capital of Culture in 2020 and has been known as the Cultural Heart of Ireland.

SERVICES CLOSE TO THE SCHOOL

Salthill, where the school is located, is one of the most sought after areas of Galway city. The school is 10-15 minutes' walk from the city centre.

Salthill has all the services you need on a daily basis. These include banks, post office, supermarkets, restaurants, coffee shops, bars, pharmacies, dry cleaners, medical centre, dental clinic, police station, taxi rank, bus stops, city bikes, promenade, beach, aquarium, gyms, swimming pools, diving tower, golf course, etc.

GETTING TO GALWAY IS EASY

The easiest way to get from Dublin or Shannon airports to Galway is by bus. It is cheap and efficient.

Buses from Dublin airport run every half hour almost all day. The journey lasts 2.5 – 3 hours and you get on the first stop (airport) and get off at the last stop (Galway Coach Station).

From **Shannon airport to Galway** you can take a bus (1.5 hours).

We can organise a Meet and Greet service or a private taxi transfer from all airports or from the bus station directly to your accommodation in Galway. **The choice is yours.**

GETTING AROUND GALWAY IS EASY

Galway is a small student city and walking is the preferred way to get from one place to another. It is cheap, safe and good for the mind and body.

It is easy to walk from the school to the city centre, or from your accommodation to school. You can also catch a bus which stops right outside the school. Many students hire bicycles for the duration of their time with us.
