“

Thank you for opening new doors for my international future. The combination between English classes and fun activities in English is perfect!”

YOUR LESSONS

20 lessons per week of General English designed to focus on building communication skills and confidence in using English inside and outside the classroom.

YOUR TEACHERS:

- St Giles teachers use a communicative approach to engage students and help them learn effectively
- We employ a range of English language teachers who are committed to providing enjoyable and beneficial language lessons
- We will ensure that all our students leave our course feeling more confident, able to speak to an audience and with a wider range of vocabulary and functional language

THEME OF THE WEEK:

- Every week our lessons and activities programme are based around a theme, such as Food, Media, Science and the Environment
- Students learn useful language and skills, which they can then use in their end of week project, with their fellow students from a whole range of countries
- Students present their projects at the end of each week, which can be in the form of a film, a presentation, a drawing, a song and much more

WORKBOOKS:

During their stay, students create a workbook that stands as a portfolio of their work to show their family and friends. It includes accomplishments of the week, their targets reached, work based on their excursions and records of language learned.

GRADUATION:

At the end of their course, students enjoy a ceremony to celebrate completion of their programmes. They receive a certificate showing their level of English, length of stay and a full report provided by their teachers.

MEET OUR PROFESSIONAL FOOTBALL COACH, JOHN!

John McDermott is an experienced and successful football coach and former professional footballer, recently serving as assistant manager at Buxton in the National League North. He holds a UEFA A licence, the highest practical coaching qualification from the Football Association.

John played as a right-back from 1987 to 2007, spending his entire 20-year career at Grimsby Town, where he holds the club's all-time appearance record with 647 league games (754 overall). He is one of only 17 players in English football history to play over 600 Football League matches for a single club.

After retiring in 2007, John began coaching at the Grimsby Institute before becoming assistant manager at Harrogate Town in 2010. He has since managed Alfreton Town and held coaching roles at Cleethorpes Town, Scunthorpe United, Boston United, and Matlock Town.

QUALITY TEACHING

We employ a range of English language teachers who are committed to providing enjoyable and beneficial language lessons. During the course, lessons take place each morning in modern classrooms. Parents study English at one of our year-round adult schools while children have their morning lessons in a nearby building.

Botanic Garden, Cambridge

LESSONS AND CLASSING

Students up to the age of 10 are classed based on their age. The course programme then includes differentiated aims to ensure all children are appropriately challenged while the classroom approach remains age-appropriate.

Students aged 11 and above take a placement test. Then, depending on the student intake of that week, they are either:

- Split into groups based on their level
- The teacher includes differentiated aims to challenge all students in a mixed-ability class

FUN SOCIAL PROGRAMME

After morning lessons, the whole family can enjoy three afternoon activities per week together, plus a weekly full-day excursion with other families from around the world. Activities can include sports in the park, guided walks and visits to local attractions and museums.

The rest of the week can be spent enjoying free time together and exploring the cities of Brighton, Cambridge and London.

ACCOMMODATION & MEALS

Our flexible programmes allow families to choose between homestay accommodation, apartments or hotels. The full package price includes homestay accommodation in twin rooms, with breakfast every day and light lunches on weekdays.
