The ideal opportunity to visit Ireland for a stimulating and purposeful holiday.

The Gold Programme is an interesting language and cultural activities course developed to suit the over 50s age group. ACET overseas a special tailor-made programme combining enjoyable language practice while discovering Ireland and in particular, Cork and its culture. The programme is flexible and aims to suit the needs and interests of the group.

The English course focuses on developing practical communication on skills both inside and outside the classroom. In the relaxed and productive atmosphere in class, you will develop your skills, increase your vocabulary and become a more confident speaker.
