

Passion for British Classic Cars Course 2022

Passionate about old cars and nostalgic for the motoring era of the 50's, 60's and 70's? The Director's own small collection of cars will inform the Passion for Classic Cars course - Morris, Mini, Rover and Rolls Royce.

Participants will learn about the history of these iconic British marques, discuss road tests of the cars and materials from the era and enjoy looking back to these heady days. Participants will get to visit a real garage working on old cars and enjoy drives in the stunning Suffolk countryside in the "fleet" of classic cars.

This course would suit mature "petrol heads".
