WELCOME TO BLS ENGLISH, BURY ST EDMUNDS

Near Cambridge, Bury St Edmunds is a beautiful and historic market town in the county of Suffolk. It plays a very important part in English history. It was here, in 1214, that the barons swore they would force King John to accept the Charter of Liberties, later known as the Magna Carta. King Henry VIII's sister, Mary, is buried in St Mary's Church, and the ruined abbey, with its magnificent gardens, was a shrine to Saint Edmund, king of the East Angles.

Bury St Edmunds has a striking combination of architecture from medieval and elegant Georgian squares and a glorious cathedral with a stunning Millennium tower, to magnificent gardens and ultra modern facilities.

The Moyses Hall Museum dates back to 1180, the Theatre Royal is one of the oldest theatres in England, and the Apex is a new state of the art live entertainment venue. Interestingly the smallest pub in England, the Nutshell, is also in Bury St Edmunds.

Bury St Edmunds has excellent shopping and a wonderful street market on Wednesdays and Saturdays. Leisure facilities include a multiplex cinema complex, an "arts" cinema, theatres, newly designed leisure and fitness centre, great restaurants and pubs in addition to quaint old world shops.

Bury St Edmunds has a population of 45,000 and is on a direct train line and coach service to London. London is 80 miles away, Cambridge 28 miles, Ipswich 26 miles and Newmarket 14 miles. For more information on Bury St Edmunds.

THE ADULT CENTRE

The BLS Adult Centre at No 147 Kings Road is where the adult courses take place. The offices and classrooms are in a prominent Grade II listed Georgian building in the historic centre of the vibrant town. In addition to the spacious well-lit classrooms, there is a quiet learning centre, student common room, picnic garden and a sunny patio. Residential accommodation is available at the BLS Residence in Spring Lane. This is a ten minute walk away in a leafy part of the town.

BLS is committed to:

- developing its activities to the highest standards whilst respecting the environment and assuming the challenges of sustainability
- upholding the highest standards of equality and diversity.

Our Sustainability Policy and Mission Statement outlining our equality and diversity policies can both be read online.

A MESSAGE FROM THE FOUNDER

“In 1995, having taught in a number of countries, I founded Bury Language School in beautiful, historic and vibrant Bury St Edmunds. From small beginnings, BLS has welcomed tens of thousands of international students from over 90 different countries around the world. The Adult and Junior Centres are in separate centrally located premises and each is a beautiful period building. Bury St Edmunds is bursting with independent shops and lots to do for all ages. Cambridge and London are both within easy reach too. BLS is a dynamic school constantly evolving and developing new courses to meet the needs of our international students - whether for an individual adult or a group of younger learners.

Our aim is to inspire learning in everything that we do – motivating lessons, interesting trips, engaging activities and a fun social programme. We strive to help each and every student achieve their learning goals in a friendly, stimulating, supportive and inclusive environment.

My role these days is marketing which means I am often abroad meeting Language Travel partners. When there is a classic car parked in front of the Adult centre, people know that I am at school. BLS is about the people, students, staff, and host families. I am indebted to the care and dedication of everyone who works here and very proud of the school.”

A MESSAGE FROM THE PRINCIPAL

“I truly believe that Bury St Edmunds is the perfect destination to stay and study English. Close enough for day trips to London, Cambridge, Ipswich and Norwich, there is so much to see and do. BLS English is situated in the heart of this vibrant town where our adult students will be able to explore the culture and nightlife easily – no buses needed to get around town. Come and visit and make friends for life”

*Ben Logan
Principal*

EXAMS

BLS has been preparing students for major English language examinations since 1995. Exam courses remain our focus, of which the two most commonly requested are: IELTS (required to enter UK universities) and Cambridge Exams (FCE, CAE etc). BLS is an authorised Preparation Centre for the Cambridge Examinations.

IELTS

IELTS is an important test of academic English and is used by many universities around the world as an entry requirement. By combining our morning programmes with academic training in the afternoon we are able to offer a year round preparation programme to enable the student to achieve their personal best.

CAMBRIDGE EXAMS

All Adult General English classes at BLS are broadly based on the “communicative” Cambridge Examinations syllabus; which means that even a short stay at BLS will provide General English that forms the basis of the Cambridge exams. In the afternoon classes, the focus is on skills and examination technique in addition to language. Practice of the examination past papers is a key component here. Ideally, a course of twelve weeks is recommended, although it is possible for students to join these courses for shorter periods at any time of the year.

ENGLISH FOR WORK

If you are looking for paid work to help fund your studies, BLS can help you with your applications. You must be entitled to work in the UK and your English level must be at CEFR B1 or higher. Our students work in shops, restaurants, night clubs, hotels, cafes and in many other establishments. A current CV and face-to-face interview is often necessary in order to confirm any paid work placement. BLS will assist you in this.

INTERNSHIPS AT BLS

BLS offers regular unpaid internships that can combine study with work all year round. Gain an insight into the various departments at BLS and support either the academic, accommodation, administration or marketing department. In return, Interns will receive a stipend and accommodation in the residence. More details and job description available on request.

THE ACADEMIC YEAR

Are you planning to go on to an English-speaking university, or hoping to move on to an international job? Whatever your plans you will be making BLS English your home for six months or more. It is very important to us that every aspect of your stay is as comfortable and beneficial to you as possible.

All students at BLS English receive individual tutorials with the Director of Studies to discuss their progress and assess whether they are on course to achieve their agreed targets.

University application: We will give you help and advice in regards to your university application if this is needed.

For students requiring longer courses, BLS recommends the academic semester course of 24 weeks. Students can choose our ‘General 21’, ‘Semi Intensive 26’ or Intensive 32’ course. Our academic year is divided into three terms: autumn (14 weeks), winter (12 weeks) and spring (12 weeks).

- 24 weeks or more
- Free membership to the town library
- Range of weekend excursions
- Weekly progress test
- Assistance with university selection and application
- Crystal Clear Speaking module
