

FRENCH TEACHER TRAINING (ERASMUS+) 2026 NICE, BORDEAUX

DO YOU WISH TO ENHANCE YOUR TEACHING PRACTICES?

Our program offers you the opportunity to update your knowledge of contemporary France and the ever-evolving French language. It will enable you to strengthen your teaching techniques, optimise classroom dynamics, and deepen your understanding of French culture and civilisation. At the end of the program, you will leave with practical ideas that can be immediately applied in the classroom, along with high-quality teaching materials and authentic documents.

PROGRAM DETAILS

Our teacher training program for FLE (French as a Foreign Language) instructors is designed to strengthen their didactic, linguistic, and intercultural skills, while promoting an active approach to teaching rooted in the local cultural context. The program includes modules on action-oriented and communicative approaches, lesson planning and sequencing, formative assessment, the integration of digital tools, and managing mixed-ability classrooms. Practice analysis workshops complete the course, encouraging peer exchange and pedagogical innovation.
