## GENERAL TERMS AND CONDITIONS

### 1. Courses, lessons and registration fee

Enrolment is subjected to the payment of 60,00 registration fee, valid for 12 months from the start date of the course. Includes: welcome kit, school assistance and services, teaching materials.

- The courses do not take place on local and **national holidays**. Students may recover the lost day(s) continuing after their term or get a discount of € 20,00 euro for each day of lessons lost.
- Lessons take place from Monday to Friday. Lessons on Saturday require a supplement of € 20,00 euro/day
- Absences and lateness to group lessons cannot be made up.
- The Institute reserves the discretionary right to move the student from one course level to another, in the event of difficulty in learning and/or due to the school's didactic-logistic and/or class management requirements.
- Individual lessons, whose calendar is flexible and modifiable, must be cancelled or moved upon notice within 24 hours prior to the lesson itself.
- The face-to-face lessons, both in groups and individually, in case of force majeure (rare event, beyond the control and the will of the school board) can be carried out online. In this case, the school is required to formally notify the participants and explain the reasons for this need.

Absences during these lessons are counted as absences during face-to-face courses

- The carrying out of the course in a group requires the participation of at least 4 students. To guarantee the quality of the courses, even if the minimum number of participants is not reached, the school undertakes to deliver the course at the established level, but in different ways: 3 participants = 15 lessons per week; 2 participants = 10 lessons per week; 1 participants = 5 lessons per week. In this case it is understood that the price does not change from the list price for the group with 4 participants.

### 3. Accommodation

The school does not directly manage student accommodation, but makes use of external suppliers, verifying the quality of the service offered.

The school makes several accommodation options available to its customers, using external providers. Upon request, the school endeavours to research and provide full information and cost. Payment must be made at the time of booking (deposit) and at the time of check in (balance).

As an intermediary, the school is not responsible for damages of any kind, suffered or caused by the student, or for any inefficiency on the part of the accommodation provider. The school is therefore unable to make refunds or discounts on its own initiative, unless authorised by the accommodation provider.

### 4. Study Visa

Students who need an entry visa to Italy for exclusive study reasons can have more information on the dedicated web page <http://vistoperitalia.esteri.it/home/en>, they must also contact the Italian consular authorities of their country to complete the necessary formalities.

After having received in advance the full payment, the school will provide via email or regular mail the registration certificate, the invoice and other documents that the embassy deems necessary in order to issue the study visa.

Within 8 days of arrival, the student is obliged to report to the police station to obtain a permit of residence. Information and assistance will be available once you arrive in Italy and start the course.

If the student does not obtain the entry study visa to Italy, he must submit a formal letter of denial issued by the competent authority. In this case, the school will return the entire sum received, excluding administrative expenses in the amount of 300,00 euro. Any bank charges incurred for returning the money are charged to the recipient.

If the student, after obtaining the visa, decides, for personal reasons, to cancel the course booking, then he / she must request the revocation of the visa, providing the school with a copy of the letter issued by the Italian Embassy. In this case, the school will return the entire sum received, excluding administrative expenses in the amount of 300,00 euro. Any bank charges incurred for returning the money are charged to the recipient.

#### **5. Insurance**

All students enrolled in the courses are covered by insurance, except for wilful misconduct or gross negligence, for any accidents that may occur at the school premises.

The school assumes no responsibility for illness, injury and civil liability related to events that may take place outside the school.

Citizens of the European Union, Switzerland, Liechtenstein, Norway and Iceland, in possession of the European health insurance card issued by their country, are entitled to receive free treatment in Italy, not just urgent.

Non-EU citizens need health insurance, to be stipulated before departure, and which covers them for the entire duration of their stay in Italy and on the European territory.

Furthermore, we advise students to insure for the hypothesis of non-reimbursement of payments made to our school in the event of late cancellation, non-arrival at the destination (so-called no-show), absence from courses or early departure (see 7. terms cancellation and notice)

#### **6. Rescission of the Contract**

The school has the right to withdraw from the contract and to withhold the sum received up to that moment (and also to demand the balance) in the event of default by the student:

- In case of non-payment of part of the sum relating to the course;
- In case of behaviours that are not in keeping with the environment and that cause discomfort and disturbance to others as well as noncompliance with this regulation and the rules of common living.
- In cases of force majeure (rare event, beyond the control and will of the school board, such as infectious diseases, pandemics, particularly adverse weather conditions) if the school is unable to provide the entire chosen course, it may interrupt the lessons, giving official notice. The student has the right to opt for 2 alternative solutions:

a) continue the online course (if the interrupted course was in attendance),

b) receive a voucher valid for 24 months for the part of the course still to be followed

The student will have a limited period of time of one or more weeks (defined according to the severity of the case of force

majeure) to choose between the two solutions and must notify the school via email.
