NEW ZEALAND

HOME OF KIWI ENGLISH ACADEMY™

New Zealand, internationally acclaimed for its 'clean and green' image, is also developing a reputation as a favoured study destination for an increasing number of international students.

With its clear and unaccented English, friendly locals, a world-class education system, internationally recognised qualifications and a wealth of recreational opportunities, New Zealand is an attractive option for students.

With sophisticated cities, pristine countryside, rugged mountains and beautiful coastlines, New Zealand is truly a paradise. Thrill seekers, environmentalists and nature lovers can experience New Zealand's natural beauty and revel in the fresh air while enjoying one of the many outdoor activities it has to offer.

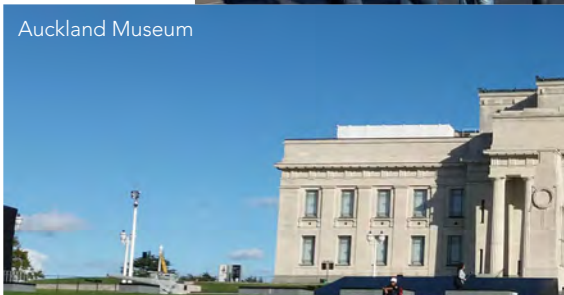

Auckland, New Zealand's largest city, stretches 50kms with two of the world's most beautiful harbours on either side. Its marinas, colourful yachts and windsurfers have given it the name 'The City of Sails'. Outdoor living is a way of life in Auckland's temperate climate (summer 25°C, winter 12°C). Auckland is a truly cosmopolitan city where people of all nationalities come together. Locals and visitors can enjoy the cultural diversity and modern facilities Auckland has to offer - theatres and museums, ethnic cafes and restaurants, markets and festivals.

Kiwi English Academy (KEA) is located in Newmarket, in the heart of Auckland. Just five minutes from Downtown and a quick stroll to the Auckland Museum and Parnell, Newmarket is fashionable, convenient and popular with residents and visitors alike. In addition to our Newmarket campus we operate satellite campuses from schools for specially tailored groups.

Students who are over 18 years old and want to be more independent may choose to live in a hostel or serviced apartment. Other accommodation options are available on request.

COUNSELLING

The welfare and happiness of our students is our top priority and starts from day one when students are met by a native-speaking counsellor at orientation. Ongoing support and advice is available from our counsellors as required. Academic counselling is provided to students during their language training.

GUARDIANSHIP

KiwiCare guardians, who are fully trained and supported by KiwiCare, ensure young students are well looked after while studying at KEA by providing assistance and support. KiwiCare helps young students take the first step on the road to personal and academic success.
