Courses for Teachers 2023

WSE Courses for Teachers

WSE Courses for Teachers are designed to give educators the skills they need to integrate the most up-to-date methods in language tuition and academic management into their educational environments. We offer courses which encourage personal and professional development, whether you're a newly qualified teacher or someone with decades of experience.

Teaching for the 21st Century is for educators who have been teaching for a while but wish to sharpen their skills and keep up to date with developments in teaching methodology. The **Trinity Cert TESOL** courses are predominantly for teachers at the start of their careers, looking to gain an internationally recognised qualification.

WSE Worldwide courses are bespoke, custom, teacher training courses which can be arranged as 1-to-1 lessons or for a closed group throughout the year.

We can also arrange online follow-up training sessions for all WSE Courses for Teachers, to help further develop your skills. Please contact us at info@wimbledon-school.ac.uk for further information and pricing.

Why you should choose WSE:

- WSE is the Number 1 school in the UK according to British Council inspection reports
- We have highly qualified and experienced trainers who are all DELTA/Trinity diploma qualified
- WSE is a centre for Trinity Cert TESOL
- We are responsive and agile
- The London Exam Centre is part of WSE and many trainers are also examiners
- Our trainers teach specialist courses, such as English for Medicine, English for Law, English for Aviation, Pre-sessional English and Cambridge Examination Preparation
- We have experience in teaching ESP, EAP, juniors, mixed ability classes, closed groups, and international classes

Trinity Cert TESOL

The internationally-recognised Trinity College London TESOL certificate (Level 5 OFQUAL qualification) is accepted by the British Council as an initial certification for English language teachers in its accredited teaching organisations in the UK and overseas. This qualification opens doors to a career in English Language Teaching (ELT).

Start your exciting journey in the world of English Language Teaching with the Trinity CertTESOL teacher training course. This 4-week intensive or 14-week part-time programme provides you with the language awareness, methodology, and teaching practice you need to be classroom-ready. The Trinity CertTESOL, along with the Cambridge CELTA, is one of the most widely-recognised English Language Teaching qualifications in the world, and equips you to teach in a huge variety of countries and organisations. It is the minimum requirement to teach at any British Council accredited school and is valued by all employers in the field.

Please note that Trinity requires that all course participants pass an interview and a language awareness test before being admitted onto the course. Participants must also be able to prove that their level of English is at least C1.

On this course you will:

- Increase your awareness and understanding of the structures and sounds of the English language
- Learn techniques and strategies for classroom management
- Explore different methods for helping learners to understand various aspects of English
- Create effective lesson plans for teaching different skills and structures
- Teach 6 hours of observed classes from your own lesson plans, and receive detailed feedback on your performance
- Be equipped you with all the skills and knowledge you need to be effective teachers in a variety of contexts

Teaching for the 21st Century

This course will help you to take your English teaching career to the next level. Guided by our highly experienced and qualified trainers, you will develop your pedagogical knowledge, your classroom practice and your awareness of the latest methodologies and approaches in ELT.

An exciting feature of this course is extensive training in how to maximise the effectiveness of online teaching, and the use of technological tools to enhance your teaching both online and in the classroom. During the course, you will draw on your own teaching knowledge and experience and that of your fellow course participants. In addition you will have the opportunity to observe experienced WSE teachers, all of which will allow you to develop new techniques and ideas, which can be incorporated into your own teaching context. You will explore fresh ways of helping your learners acquire new language, develop their skills and tackle some of the areas of English that are more challenging to teach, resulting in you building up a bank of practical ideas adapted to your learners' needs and your own teaching style.

On this course you will:

- Discover the latest methodologies, approaches and developments in the world of ELT
- Explore fresh ways of helping your learners acquire new language and develop their skills
- Tackle some of the areas of English that are more challenging to teach
- Focus on addressing the needs of all learners, from the struggling to the gifted
- Maximise the effectiveness of online teaching and the use of technological tools to enhance your teaching both online and in the classroom
- Draw on your own teaching knowledge and experience and that of your fellow course participants
- Develop new techniques and ideas which can be implemented in your own teaching context
- Build up a bank of practical ideas adapted to your learners' needs and your own teaching style.
