English Study Camps

by Wimbledon School of English

Paul Greaves - Director of Young Learners

I'm delighted to present the Summer 2025 programmes from English Study Camps by WSE. In our years of running juniors' programmes we've found so much inspiration in the positive impact that a few weeks in a summer centre can have on young people's lives. We are constantly working on ways to give our junior and teen students the kind of experience that they will always remember, and we were delighted to have this recognised in our 2023 British Council inspection, when we received 10 strengths.

Our Centres

Wimbledon, London, UK.

Lord Wandsworth College, Hampshire, UK

Great UK Locations

We offer a choice of 2 different places to study - the green fields of Lord Wandsworth College, or Wimbledon - one of London's safest districts.

Safety & Welfare

The safety and wellbeing of our students is extremely important to us at English Study Camps, and we were commended for our excellent safeguarding practices in our recent British Council inspection.

Excursions & Activities

We offer a full programme of excursions, activities and evening entertainment so students practise their language, have fun and make friends while exploring the UK.

An Engaging Study Programme

We are dedicated to helping children and young adults achieve their goals by integrating the 5 'Cs' of 21st Century learning: Critical Thinking, Communication, Collaboration, Creativity, and Confidence in all our courses.

Great Nationality Mix

In 2024, we welcomed students from 34 different countries to our summer centres.

Our WSE homestays are welcoming and friendly, with many providers having worked with us for years. Homestay hosts can vary greatly, but they all share two key qualities: a genuine desire to welcome people into their homes and lives, and a clean, comfortable home.

Our residential accommodation, located at Surbiton Halls, offers students the experience of living in university halls. Students will have single en-suite rooms and will share a flat comprising six bedrooms. Our WSE staff will be on-site to supervise and support the students.

UK Student Mentor Programme

Our British student mentors are part of the programme at Lord Wandsworth College, Hampshire. As members of the student body they study alongside our international students, giving them the opportunity to learn about British culture first hand from their peers.

Our mentors live on campus with our international students and participate in our Future Business Leaders course and all activities.

Last year we welcomed 27 different nationalities at Lord Wandsworth College, giving both British and international students the opportunity to make friends and learn about different cultures. This unique platform cultivates cultural exchange and brings greater international understanding to all participants.

Ella - UK Student Mentor

"I was a British student mentor, I thoroughly enjoyed my experience helping the international kids improve their English and understand British culture. I've made many friends that I'm still in contact with to this day"
