

English in Totnes

A boutique language school in beautiful Devon

Who are we?

An independent, boutique language school, founded in 1980 and now owned and run by Margie Barker and her wonderful team.

The school is in the historic Gate House building in the heart of the town of Totnes.

Totnes is a welcoming, vibrant community- a thriving centre of music, art, theatre and all forms of alternative and natural health. The town is committed to sustainable living and is the first Transition Town.

What do we offer?

At English in Totnes we focus on our students as individuals, even if they are part of a group. Every student has different goals, needs, learning methods, strengths and weaknesses. We find out what your goals are and do our best to help you reach them.
