YOUNG LEARNERS – CAMPBELLS COLLEGE

### CAMPBELL COLLEGE BELFAST

CAMPBELL COLLEGE BELFAST (EST. 1894) IS ONE OF NORTHERN IRELAND'S MOST EMINENT SCHOOLS. IT OCCUPIES A 100-ACRE ESTATE IN EAST BELFAST, CLOSE TO THE PARLIAMENT BUILDINGS AT STORMONT, AND COMPLETE WITH ITS OWN LAKE AND FOREST.

C.S. LEWIS WAS A STUDENT THERE AND THE CAMPUS SERVED AS INSPIRATION FOR THE NARNIA CHRONICLES.

On-site activities include swimming, tennis, hockey, rugby, cricket, athletics, squash, gym, table tennis and a pool table in the student common area.

## PROGRAMME INFO

The programme is available to students aged 12 to 17 with a choice of residential or local homestay accommodation and will include interaction with local sports teams, drama groups and choirs. There are even plans to bring a Hogwarts flavour to the programme which will please any Harry Potter fans - the Sorting Hat will be busy!

All students will enjoy lunch together in the beautiful dining hall. Homestay students will return home in the evenings for a family meal and to spend time with their families. Residential students will dine with our staff and their classmates on campus. An example meal plan has been provided in the residential section.

Classes follow a communicative approach, focusing on authentic language that students can use outside the classroom. Each week is theme-based to ensure consistency and continuity and to give students the opportunity to see new language in context. Themes (for example, 'You and the Environment', 'Social Networking', 'We Are All Scientists') are selected to appeal to the students' interests and to provide engaging classes that increase motivation. Each week culminates in student presentations based on that week's theme.
