Vibrant Environment

A balance between the relaxing aura of staying in the quieter part of a busy island, yet in a town bustling with activity and nightlife.

Seaside Town

A stone's throw away from the seaside, and close to the nicest beaches on the island.

Accommodation in Gozo

SUPERIOR RESIDENCE

Staying in the BELS Residence adds to the immersive English-learning experience. It's an opportunity to meet new people, discover Gozo with fellow students and speak English outside of the classroom environment.

Our BELS Gozo Superior Residence is located on a quiet road in Victoria, the capital. The school is a 40-minute walk or a 10-minute bus ride away.

The BELS Superior Residence consists of three comfortably furnished apartments with four spacious bedrooms. All the apartments are comfortably furnished and with town views from the main terrace.

In each unit you can find Wi-Fi in all areas, communal bathrooms, a fully equipped kitchen, a washing machine and air-conditioned bedrooms. Bed linen and towels are supplied and replaced once a week as part of the cleaning service provided.

Superior Basic

These rooms can be booked as single rooms (shared with another BELS student) or as single rooms (for students travelling on their own). Each bedroom has two single beds, bed linen, a shared wardrobe, air conditioning, and heating. Rooms in this category do not have the option of a private bathroom.

Superior Plus with Ensuite Bathroom

The Superior Plus Rooms have the same amenities as the basic rooms but are more spacious and have an en-suite bathroom as well as a desk, a chair and a strong internet connection. These rooms are ideal for students who want to work remotely or need a private study environment. Rooms in this category may be reserved as single rooms for individual travellers or as a single room for two individuals travelling together. Sharing room option is not available in this category.

“Students that stay in our residence speak English 37% more per week.”

“On my first day I was very very nervous but my lovely flatmates took me to school even though I had to be there one hour before them”

– Aileen, Germany

Homestay

Our host-families are hand-picked to ensure they share our values and passion. Additionally, they are fully licensed and undergo regular inspections.

Students will have their own key and can come and go as they please; while being respectful of their hosts.

In this category, students have the option to book a single room or share a room if they're travelling with a friend. Private bathrooms are possible at an extra supplement.

Cultural Integration

Gain cultural awareness by building connections with new people.

New Friendships

Make lasting connections and discover the island with new friends.

International Community

Meet likeminded solo travellers.

Accommodation in Malta

COMFORT RESIDENCE

Our BELS Malta Comfort Residences are available in two separate premises. Each building is identical in relation to quality, amenities and pricing.

Each apartment consists of 3 bedrooms that are comfortably furnished for long or short stays. Every unit consists of a living area with Wi-Fi in the living area, a common bathroom, a fully equipped kitchen & a washing machine. Bed linen & towels are included and replaced as part of our weekly cleaning.

Comfort Basic

Our Comfort Basic Rooms are located in 3 apartments behind our school building. These apartments can be booked as twin rooms sharing with one other student. This is our most economical option, with significant price discounts for long-term students. Minimum stay in this category is 8 weeks. Each room includes a fan, two single beds and a shared wardrobe.

Comfort Plus

Our Comfort Plus Rooms are available as twin rooms (shared with another BELS student) or as single rooms (private). These rooms are available for any length of stay. Rooms in this category include a fan, two single beds and a shared wardrobe.

SUPERIOR RESIDENCE

Our BELS Malta Superior Apartments form part of a modern and gated housing in Xemxija, a coastal area in the town of St. Paul's Bay. From here, students can reach the school in a 20-minute walk or catch a bus from a stop right outside the residence, which takes them directly to our school.

The main difference between our comfort and superior residences, is the air- conditioning in the bedrooms.

There are two alternatives to choose from:

Superior Basic

Our Superior Basic Rooms are available as twin rooms (shared with another BELS student) or as single rooms (private). Each room includes bed linen, a shared wardrobe & air conditioning. A private bathroom can also be requested at an additional fee, when booking a single room.

Superior Plus

Superior Plus Rooms can also be booked as twin rooms (shared with another BELS student) or as single rooms (private). When compared to the superior basic rooms, the superior plus rooms are more spacious and have a desk, a chair & strong internet connection. These rooms are ideal for students seeking to work remotely. Superior plus rooms also have sea views from the living room.

Homestay

By choosing home stay accommodation, students expand their experience in Malta to include a cultural and uniquely Maltese aspect. As well as benefitting from out-of-class opportunities to speak English, students will also discover more about the local life & traditions.

In our homestay accommodation, students will be treated as though they are a member of the household. In respect to the family, students are expected to adapt to the family's life and routine. Many of our home stays are within the area of the school, or bus ride away. Breakfast and dinner are prepared by the host family. Our families cater for different allergies, special diets and preferences for a pet-free household.

Communal Areas

Use the shared kitchen and living areas to become part of our student community

The BELS Approach

Where Passion Meets Proficiency

Our students mean everything to us - they are at the very heart of our approach. We believe in tailoring our lessons to each student's unique experiences, making learning more engaging and personal for everyone.

Our Commitment to Relevance — Our main aim is to keep our courses interesting and relevant. We're always refining our curriculum to keep up with the latest trends and topics. Our students' input and participation are incredibly important to us—they help us shape our courses to better meet evolving needs and ensure that our students feel valued and heard.

Engaging Learning Environment — Our courses are interactive, including pair work and group work, to keep students actively engaged and communicating. Our English courses are a dynamic blend of interactive and traditional learning methods, ensuring a lively and stimulating learning environment.

Supportive and Friendly Classroom — In our classes, students will gain new vocabulary and grammar knowledge and have ample opportunities to practice in a supportive and encouraging setting. We utilise a wide range of up-to-date materials to stimulate discussions. Embracing a learner-centred and dynamic approach, our classrooms provide a friendly and supportive atmosphere, ensuring you feel at ease and inspired to learn.

Modern Classrooms for a Modern Learner

Thanks to our advanced technology, you will experience an educational journey like no other at BELS. Our classrooms blend traditional and digital learning tools, bringing your experience to life by fostering participation and collaboration and creating an immersive learning environment tailored to your needs.

Interactive Panels

Our interactive panels are a game-changer! They allow us to bring in videos, audio clips, images, and web content, catering to different learning styles and making classes visually stimulating. The possibilities they offer are endless, and you'll find these panels in every classroom, ready to revolutionize the learning experience.

Language Learning Tools

We're all about making learning fun and interactive. That's why we spice up our lessons with popular apps that offer engaging ways to build vocabulary, learn grammar, and fine tune your pronunciation.

Virtual Reality

Get ready for an immersive learning experience! Step into the world of VR, where you can engage in hands-on language activities, explore fascinating virtual environments related to our learning material, team up with your classmates to conquer challenges, and use the language in real-life situations. It's a whole new way to learn!

By incorporating VR into our lessons, you get to:

- Engage in hands-on activities to practice the target language
- Explore diverse virtual worlds that align with our learning topics
- Collaborate with your peers to solve exciting challenges
- Use the language authentically in real-life scenarios

Here's How You'll Excel at English with BELS

1

Sitting for an Online Placement Test

— Before you arrive, we will send you an online test to assess your current level and ensure you are placed in the correct class. This test is designed to understand your proficiency in English and to ensure that you are placed in a class that best suits your learning needs.

2

Assessing your Skills

— During your first lesson, the teacher will conduct speaking activities to ensure that your test results and speaking skills align and that you are in the correct class, providing a fair and accurate assessment.

3

Completing Regular Self-Study Tasks

— Your teacher will assign homework at least three days per week to ensure everything is understood and provide feedback when needed.

4

Speaking English 24/7

— Between English courses, living in our student residences, joining activities, and daily life on the island, you'll live and breathe the language!

5

Receiving Personal Feedback

— All classroom activities, whether written or spoken, will be discussed with feedback. Our teachers are here to support you, constantly correcting and helping you improve your English in a comfortable and supportive environment.

6

Having Weekly Progress Tests

— At the end of the week, a formative test focusing on the weekly content is conducted so that you can see your level of improvement and understand your strengths and weaknesses.

Adult Courses **18+** Malta and Gozo

We are delighted to offer a range of adult English courses. Whether you are looking to enhance your English for personal development, career progression, or more meaningful social interactions, our courses provide a perfect blend of structured learning and friendly social interaction, all tailored just for you.

GENERAL ENGLISH

Standard Group

General English Standard
(20 lessons / 15 hours / max. 12 students)

Our General English Standard course is designed to help you practice grammar, vocabulary, phonology, and discourse, while also honing your speaking, listening, reading, and writing skills using real-world topics and materials. Our goal is to boost your proficiency in all aspects of the English language. This course is available in Malta and Gozo, with a maximum of 12 students per class. We're here to help you succeed!

General English Intensive
(30 lessons / 22.5 hours / max. 12 students)

The General English Intensive course is a great way to enhance your English skills. It includes the Standard English course along with 10 extra lessons per week, focusing on building fluency. These additional lessons, held in the afternoons, provide ample opportunities for speaking practice, confidence-building, error correction, and feedback. It's the perfect choice for those who want to improve their speaking skills while engaging with students from around the world. The fluency lessons cover a variety of topics including functional language, everyday situations, role-plays, discussions, and social interactions, helping you feel comfortable and confident in English-speaking environments. discussions, and social situations.

Mini Group

General English Mini
(20-30 lessons / average 6 / max. 8 students)

Mini-group courses have a maximum of 6 students per class. This means you'll get more personal attention from the teacher and the chance to learn at a comfortable, unhurried pace. Both our General English Standard courses and General English Intensive courses can be taken as mini-group courses, so you have plenty of options to choose from. With fewer students in each class, you'll have more opportunities to speak and engage in discussions. Our lessons can also be tailored to address your specific needs and preferences. The small classroom environment allows our teachers to closely observe and assess your progress, making sure your individual learning needs are met.

ERASMUS

General English

All our courses are applicable for ERASMUS Plus.

ERASMUS Teacher Training
(30 lessons / 22.5 hours / max. 12 students)
Specific start dates

Our Erasmus+ Teacher Training programmes are designed to create a dynamic and multicultural learning environment for educators. The courses cater to both new and experienced educators, offering professional development opportunities and refreshed teaching techniques. Our programme includes a General English Standard (20 lessons) course followed by a Teacher Training Course (10 lessons), focusing on methodology and confidence-building in different subjects using English. weeks long.

BILDUNGSURLAUB

The requirements for English courses to be recognised as "Bildungsurlaub" in Malta and Gozo vary from state to state. Some states require an intensive English course, while others require a combination of English courses with a cultural immersion programme.

General English Intensive
(30 lessons / 22.5 hours)

Our General English Intensive course is required for the following states: Berlin, Brandenburg, Bremen, Hamburg, Niedersachsen, Rheinland-Pfalz, Sachsen-Anhalt, Thuringia.

Individual lessons or an activity package can also be added.

General English Intensive + Cultural Programme
(30 lessons / 15 hours + 10 hours Cultural Activities)

Our Cultural Programme package includes 10 hours of activities that explore the cultural heritage of our beautiful islands, in addition to the intensive course. This is required in Schleswig Holstein, Hessen, Baden-Wuttemberg.

50+ Social Programme

Where Language Learning Meets Fun

The 50+ Social Programme is the ideal opportunity for adults over fifty to enhance their English skills while connecting with a community of like-minded individuals. In this programme, you can improve your English fluency for both professional and personal goals through engaging morning lessons that seamlessly integrate with the rich Mediterranean culture of the island. While students of all ages attend the morning courses, the social programme is dedicated to exclusive activities designed specifically for the 50+ group.

Individual Lessons

Learn with a Private Teacher, at our Schools or Online

Our individual courses are personalised to meet your specific needs. You can choose from a variety of academic programmes, including General English, Business English, exam preparation courses, and English for specific purposes. When you begin a course with us, we will conduct a thorough needs analysis on the first day to create a customised programme just for you. Our individual courses are highly flexible, offering different delivery methods, course content, and durations. Together with your teacher, we will discuss your learning goals and preferred learning styles.

At BELS, we offer two types of individual lessons:

- Individual: one-to-one
- Semi-individual: two-to-one

English for Specific Purposes (ESP)

Our English for specific purposes courses include various programmes made especially for specific industries or business skills. They are available as individual training, closed-group and team-training sessions for companies or individuals. We use current materials to match each industry in an English-speaking context.

These topics include Tourism, HR, Customer service, Marketing, Construction, Law, Medicine, Aviation and many more.

Exam Preparation

We take pride in helping individuals boost their exam-taking skills and achieve results for Cambridge (CPE, CAE, FCE, PET, KET), IELTS, TOEIC or TOEFL prep. Any additional exams are accepted on a case-by-case basis as long as we can access materials linked to such exams.

Professional English

Industry Focus:

Dive deep into the specific terminology, essential skills, and processes of your industry. Our course materials are infused with industry-related articles and current events, offering practical examples directly relevant to your role and daily responsibilities.

Skills Enhancement:

Elevate your expertise in areas such as email writing, negotiation, and telephone communication. Whether customized to your industry or offering general skills training, our courses integrate real-life examples into the content, ensuring a practical and engaging learning experience.

“The classes were very different from my school back home. We had activities and many conversations, and even got to use virtual reality. I was speaking English all the time outside of class because of the activities and speaking with my roommates. It was my first time traveling alone, and I felt really safe and comfortable with BELS.”

– Tetiana, Czech Republic

Safety and Supervision

We're in a safe location and provide 24/7 supervision. Guardians have access to a dedicated emergency number, too!

Academic Excellence

Our courses keep young minds buzzing by using worldly topics, communication, collaboration and creativity in the classroom.

Cultural Experience

Our programme focuses on developing social relationships and friendships, promoting cultural awareness and acceptance by connecting international peers, and an engaging activity programme.

Virtual Reality in the Classroom

Engage in hands-on activities to practice the target language.

Discovery

Explore diverse virtual worlds that align with our learning topics

Problem Solving

Collaborate with your peers to solve exciting challenges

Communication

Use the language authentically in real-life scenarios

Endless Island Fun and Exploration
