

# ADULTS OVERVIEW 2023

---

Since 1985, the Centre International d'Antibes has been offering French classes using active learning, motivational teaching methods, teaching centers and accommodation near the beach and town center.

- 38 years of experience
- Accredited school: « Quality Fle » label, Souffle, Eequals, CSN, Bildungsurlaub
- Highly qualified teachers committed to guarantee student's progress

# Our Location : Côte d'Azur

## Antibes

Ideally located 10 km from Cannes and 25 km from Nice and its international airport, Antibes is at the heart of the French Riviera. A medium sized town with 70,000 inhabitants revolves around a multitude of leisure activities combined with a pleasant and secure living environment.

# A school committed to a quality approach

- We are one of the leading schools for teaching French as a foreign language and welcome around 7000 students from all over the world each year.
- We provide high quality courses - our teachers are all natives, university graduates and use a dynamic approach to teach French. Our quality is guaranteed by the following quality labels:

Quality Label FLE

French as a Foreign Language, is granted by the French Minister of Education and Culture.

This label has been given to very few schools in France and is awarded for their high quality of courses, accommodation, teaching methods and organization

French institutes

CIA is recognized for its expertise in training FLE teachers. It maintains collaborative relationships with many international training centers for teachers and has acquired partnerships with **French Institutes** from Spain, Italy, Germany, Budapest

EAQUALS

European quality label with extremely stringent standard requiring inspection of teaching, accommodation, reception, student follow-up and full compliance with regulations.

Ministry of Youth and French Sports

All stays organized by CIA are approved by the **Ministry of Youth and French Sports**.
